PUSH DIVISION OF STRABAN BY NEXT SPRING

The Adams County commissioners today were completing papers to permit the request for division of Straban Twp. into two voting districts to go before the Adams County Court Monday.

At the same time the commissioners, in another action, gave approval for special poll reporters for the National Broadcasting Co. to be in each of the polling places of the county, following the close of the general election in November, to report the results from each precinct to the NBC.

This morning the commissioners arranged for the proposed two voting places in Straban Twp. to be located at the present voting place in Hunterstown and at the Warren Chevrolet Garage "annex," the second Warren building goes east from town near the Hunterstown Rd. intersection.

FIX DIVIDING LINE

The commissioners in their report to the court Monday will recommend that the township be divided along lines previously asked by petitioners in the township, a line running along the Western Maryland railway from the eastern edge of the township to the Shealer Rd. and then going northwest along Shealer Rd. to the western end of the township. It will be recommended that the split take place at next year's primory.

The commissioners decided to recommend that the lower portion of the township, that part south of the railroad and Shealer Rd. be known as Straban No. 1, and the northern part of the township, all that north of the railroad and the Shealer Rd. be known as Straban No. 2. At present about three-fifths of the population of the township is north of the Railroad-Shealer Rd. line and two-fifths south of it. The

LIONS ENDORSE PLAN STUDIED BY SCHOOL BD.

Fairfield Lions Tuesday evening gave "enthusiastic moral support" to the proposal being studied by the Fairfield Area School board that the community take advantage of opportunities offered by the Economic Opportunity Act of 1964.

The action was taken after High School Principal Richard Straup described the provisions of the bill which recently passed Congress and has been before the Fairfield school board at two recent meetings.

The Lions made plans for a hunters' breakfast to be served Saturday morning, October 31, beginning at 5:30 a.m. at the Lutheran parish house. They will serve ham and eggs to hunters ready to take the field for the first day of the small game hunting season.

Harold Day is chairman of the committee in charge that includes Dorsey and William Shultz, Donald Bucher and Stewart Sites.

SEE ALLENBERRY PLAN

Twenty-eight Lions and two guests, Lloyd Sites and Donald Summers, were on hand for the semi-monthly dinner session of the club at the Lutheran parish house. President William Newman presided at the brief business meeting after which the Lions and their ladies went to Allenberry to see the play, "Kind Sir."

David Heinley, Mr. Straup and James Landis reported on the operation of the Lions' booth at the Fairfield Village Fair last Saturday. They said many copies of the recently-published folder on the history of the Fairfield Lions were distributed. The illustrated folder recounts the services rendered to the community by the Lions in the last 19 years. It was announced that Adams County Game Protector Homer Thrush will present the program at the next meeting on October 20. The program is being arranged by Dawson Miller.

PLANNERS TO MEET

The planning commission of Gettysburg borough will meet Tuesday evening at 8 o'clock in council chambers with the mayor and members of the safety committee, according to an announcement by Orville B. Orner, secretary.

Two Are Treated For Limb Fractures

Mrs. O. D. Coble, 59, Bendersville, was treated at the Warner Hospital after suffering a fracture of her left arm in a fall down steps at her home Tuesday evening.

William Becker, 20, Mt. St. Mary's Seminary, received treatment for a fracture of the left elbow sustained Tuesday while playing football.

GTC TO ATTEND TRAVEL SHOW IN CLEVELAND

Gettysburg Travel Council will have a booth at the Cleveland Travel Show, according to reports at Tuesday evening's meeting of the Travel Council at Lincoln Logs.

Decision to have a booth at the show came after the state Department of Commerce decided that it could no longer accept volunteer help from the local travel councils at the state booth.

Travel Council President William F. Richardson III reported that the council had budgeted \$750 to pay expenses of local office representatives to various travel shows to serve in the state booth. Since that amount could not be expended, funds are available for placing a booth at the Cleveland show, he said. He added that Lancaster and York Travel Councils, which have been placing booth at Travel Shows, report the Cleveland show had been one of the best from the standpoint of obtaining increased visitation. Walter B. Lane was appointed chairman of a committee to construct the booth to be taken to Cleveland. Mrs. Pauline Adamik will be in general charge of the booth at the show March 19 to 28 and volunteers are sought to help man the booth during the period.

TO ADD BILLBOARD

A committee report showed plans to place another Gettysburg billboard near Brezewood to join three other large billboards put up during the last year, one near Amity Hall, one along the Pennsylvania Turnpike near Highspire and one along the Turnpike west of the Gettysburg Interchange. President Richardson said A. Kenneth Dick is serving as chairman of the Billboard Committee.

Five GHS Seniors Win Commendation

Five Gettysburg High School students have been announced as recipients of commendations from the National Merit Scholarship organization as a result of their scores in the scholarship qualifying tests.

The five are Stephen Bream, son of Dr. and Mrs. Howard Bream, Gettysburg R. 2; Dennis Guise, son of Mr. and Mrs. John Guise, 301 N. Stratton St.; Sheryl Jackson, daughter of Dr. and Mrs. Ralph Jackson, Mummaburg Rd.; Roann Schneider, daughter of Mrs. Harold Kauffman, Gettysburg R. 3; and Barbara Zeigler, daughter of Robert Zeigler, Gettysburg R. 2.

In addition, as previously announced, three Gettysburg High School students have won their way into the semifinals of the national examination competition. They are Paula Olinger, David Rice and Susan Swope.

Peronists' Riot Breaks Up De Gaulle's Farewell Appearance In Argentina

By FRANK N. MANITZAS
ASUNCION, Paraguay (AP)—President Charles de Gaulle basked today in the welcoming warmth of Paraguay, which greeted him with vivas and rose petals after a Peronist riot broke up his farewell appearance in Argentina.

The French chief of state showed no ill effects from the violent windup of his Argentine visit when he arrived Tuesday night in the land of Gen. Alfredo Stroessner, Paraguay's dictator president, on the eighth leg of his 10-nation Latin-American tour.

More than 20,000 residents of Paraguay's 450-year-old capital staged a well-organized welcome demonstration. As he rode through the streets in an open car they waved flags, shouted greetings and pelted him with red rose petals.

NEW OFFICERS TAKE OVER FOR HISTORIANS

A staff of new officers headed by George W. Olinger took over their duties at the October meeting of the Adams County Historical Society Tuesday evening in the Old Dorm at the seminary.

Fred A. Hummelbaugh, Buford Ave., was elected as the new vice president after Arthur W. Weaver, R. 6, withdrew as vice president. J. M. Sheads continues as secretary and Mrs. George F. Eberhart was inducted as treasurer for a new term.

Most of the business session was given over to the reading of a new constitution for the society which was submitted by the executive committee to update the former constitution adopted nearly 20 years ago. The new constitution reduces the number of standing committees to four and provides for two-year terms for all officers with no limit on the number of terms they may serve. The number of directors would be increased to six in addition to the five officers.

CITES FUTURE NEEDS

The proposed constitution was tabled for final action at the November meeting.

As he turned the gavel over to Mr. Olinger, Dr. Charles L. Glatfelter, who has headed the society for the last two years, said, "Our society is not out of the woods. We're undertaking more and we need a great deal more help, both financially and other forms of help from our members."

Mr. Olinger reviewed the progress of the society in the last five years or more and the great progress made in the development of the museum and headquarters in the Old Dorm which the society holds under a 39-year lease from the seminary. The historic structure, once marked for demolition by the seminary, has been renovated to a great extent with 25 rooms painted, truckloads of trash removed, many walls and ceilings plastered, a vault installed, windows replaced, a meeting room furnished and many "period" rooms developed.

He said that work in the immediate future includes complete

Charges Are Filed Against County Co.

Hercules Alcor Chemical Co., Inc., Seven Stars, Tuesday afternoon was charged before Justice of the Peace Clarence C. Fritz, McKnightstown, with violation of a Franklin Twp. ordinance prohibiting public nuisances within the limits of the township.

The information was filed by Clyde Hall for the Franklin Twp. board of supervisors and charges that the chemical company violated Section 5 of the ordinance which provides "it shall be unlawful for any person to carry on any offensive manufacture or business within the limits of Franklin Twp. which shall constitute a nuisance." The charge alleges that the company "causes loud noises, offensive odors, fumes, vapor, dense smoke and dust and endangers public health and property."

No date has been set for a hearing.

MAN JAILED FOR ASSAULT AFTER CHASE

Victor M. Roman, 22, 256 S. Washington St., was captured by borough police Tuesday night after a chase on foot on Chambersburg St. and placed in jail on a charge of aggravated assault and battery brought against him by the manager of the Holiday Inn restaurant.

According to the borough police call sheet, Harry J. Blokzeyl, manager of the restaurant, called police to report to them that Roman, one of his employees, had pulled a knife and threatened to cut him, had struck Blokzeyl in the face and left the premises.

Police advised Blokzeyl to bring a charge against Roman before Justice of the Peace Robert P. Snyder and after the warrant was issued on the charge Officer Ray Breighner went in search of Roman.

At 10 o'clock the officer saw Roman near the Texas Lunch on Chambersburg St. and, at Benn's corner, Gettysburg College Policeman L. C. Hamme, who saw the chase, joined in stopping Roman.

The S. Washington St. resident was then placed in the county jail in default of bail to await a hearing before the justice on the charge.

STOCKS EDGE UP

NEW YORK (AP) — The stock market nosed higher early this afternoon after a slow start. Trading was moderate.

However, the advance was irregular. It mostly reflected strength in selective issues — among these Ford Motor, which broke through to a new high.

Generally, the market moved against a favorable news background keyed to predictions of record auto sales despite the interruption at General Motors.

The rubber, mail orders and retail, farm implements and chemical groups all were higher.

Utilities, oils, metals, rails, airlines and tobaccos were somewhat mixed.

FIRE POLICE TO MEET

The Adams County Fire Police Association will meet in Bonneauville next Monday evening at 8 o'clock in the Bonneauville fire hall.

TWO CANCER DEVICES GO TO HOSPITAL

The Adams County unit of the American Cancer Society has purchased two new technical devices for the detection of cancer for use in the Warner Hospital laboratory.

A microstar trinocular microscope and an automatic microtome knife sharpener were presented by Dr. H. W. Sterrett, president of the cancer unit, to Dr. C. Harold Johnson, pathologist. The devices will be used primarily for the detection of cancer and represent the first contribution by the society in major equipment since 1958, when the autotechnician was given to the hospital. The new devices cost slightly more than \$1,300 and were purchased with funds in excess of normal clinical needs. The county unit collected \$14,100.21 in the 1964 crusade.

NEW COMMITTEES

Dr. Sterrett announced the following committees for 1964-65:

Finance: Chairman, Robert S. Weikert, Atty. John MacPhail, Miss Evelyn Altfelt, Mrs. Donald Myers.

Crusade Standing: Chairman, Russell Schwartz, Mrs. Guyon Buehler, Mrs. H. David Pitzer, Sterling Musselman.

Public Relations: Chairman, Mrs. Guyon Buehler, Mrs. William Harbaugh, Mrs. Charles Wolf, Dr. Waybright Thomas, Mrs. Dean Bankert, Paul J. Rea.

Officers of the Home Association of Gettysburg Post 15, VFW, have been cited by the state liquor control board for violation of the state code and have been ordered to appear for a hearing November 19 at 11 a.m. The post holds a catering club liquor license.

Three Americans Perish In Flames, Two Are Missing When Reds Down 'Copter

By MALCOLM BROWNE
SAIGON, South Viet Nam (AP) — A U.S. Army helicopter with five Americans and a Vietnamese aboard was shot down in flames 13 miles west of Saigon today, crashing in the midst of a powerful Viet Cong unit.

All six men aboard the helicopter were presumed killed. Ground troops who fought their way to the burned wreckage found three bodies charred beyond recognition. The other three bodies could not be found.

While it was presumed they also had been killed, there was some possibility they had survived and were captured by the Viet Cong.

DOWN 2ND 'COPTER

A second helicopter also was downed nearby, but its crew reportedly survived and was repairing the aircraft for a flight back to its base.

The two helicopters, armed with rockets and machine guns, had been providing strafing support for a small operation by Vietnamese ground troops. Other helicopters in the flight saw one machine burst into flames and hurtle into the midst of the enemy below.

The helicopters could not fire into the Viet Cong for fear of hitting any American survivors. Later helicopters and fighter bombers pounded Viet Cong positions around the site but avoided the crash site itself.

DHIA Banquet To Held November 7

The annual banquet of the Adams County Dairy Herd Improvement association will be held November 7 at noon in Trinity United Church of Christ, S. Stratton St.

Associate County Agent Duane G. Duncan said that this year certificates from the Pennsylvania Dairymen's Association will be awarded only for cows producing 4,000 or more pounds of butterfat. Because of the great increase in the number of cows giving 3,000 pounds of butterfat, the association will no longer give a certificate for that classification.

WOMEN HEAR DR. LEH TALK ON CAMPAIGNS

Dr. Robert Leh, member of the political science department of Gettysburg College, was the speaker at the first fall meeting of the Gettysburg Subleague of the Woman's League of Gettysburg College held in the Student Union building Tuesday afternoon.

Using the theme "Highlights of Presidential Campaigns — Past and Present" Dr. Leh said, "Alignment between the parties has been moderate, which always leaves some people out and sometimes third parties have been formed from the alienated groups." He said that political campaigns have been in existence since 1828 and that the Republican party has governed up until 1932, all but four presidential terms. He used the Republican party as the basis for his comprehensive talk on highlights of the campaigns. He was introduced by Mrs. Emile Schmidt, program chairman.

Mrs. Chester Jarvis, president, presided at the meeting and Mrs. John W. Vannorsdall conducted devotions from the 96th Psalm. A moment of silence was observed in memory of departed members Mrs. Frank H. Kramer and Mrs. N. L. Minter and sustaining member Dean Charles R. Wolfe.

The report of the registrar, Mrs. Dwight Putnam, revealed that the name of Mrs. Paul I. Folkemer had been placed in the Honor and Memory Book by Dr. and Mrs. L. D. Folkemer and the name of Mrs. Franklin R. Biham, past president in the subleague.

NEW MEMBERS

Mrs. George Larkin, membership chairman, reported the following new members: Mrs. Mabel Raab, Mrs. May Riley, Mrs. Herman G. Stuepfle Sr., Mrs. Holder and Mr. and Mrs. Richard Straus, Hanover.

Mrs. Jarvis appointed Mrs. Douglas Danfelt and Mrs. Herbert Ackley as delegates and Mrs. (Continued on Page 3)

Game Protector Is Lions' Speaker

Homer Thrush, Adams County game protector, was the speaker for the regular dinner meeting of the York Springs Lions Club Tuesday evening at the Scout cabin there. He showed a film on "The White-tailed Deer" and discussed policies of the state Game Commission.

After the program President Richard Weigle presided over a brief business meeting. There were reports from the finance and membership committees. About 20 Lions attended the meeting. The meal was prepared and prepared and served by a special

TO GIVE SERIES

The local resident's pictures will also show scenes of areas he visited in France, Switzerland, Austria and Italy.

The society decided to set up the series of travelogues so the general public would be able to see the pictures and hear about the trips after the society found that a number of countians have visited various parts of the nation and world and have made "outstanding slides" of views seen during the trips.

Possibly eight such travelogues will be shown during the winter and under the photographic society auspices if public acceptance shows the programs worthwhile.

ACCLAIMS BIE DAY HERE; 243 ATTEND DINNER

A number of new industries in Adams County Tuesday joined the Chamber of Commerce program to "build a bond between education and industry" by hosting teachers and administrators of the Gettysburg school system for tours of individual plants and offices and a steak dinner in the Hotel Gettysburg.

Julian Estep, president of the Chamber of Commerce, acclaimed Tuesday's program "the most successful we've had in the four years we have participated in the effort." He said that Business-Industry-Education Day provides local teachers with first-hand, factual information about local industries which may be passed on to students in the local schools in an effort to attract local youth to local businesses and professions. Estep was master of ceremonies at the dinner Tuesday night which was attended by 243 public and parochial teachers and administrators and representatives of the 20 participating industries.

LAUDS TOURS

H. Edgar Riegle, superintendent of Gettysburg public schools, said, "We have come away from today's tours with greater pride in our community, with the knowledge that vast amounts of skills and tremendous capital investments are combined to assure the economy of our community." He said he also spoke on behalf of Rev. Fr. Joseph P. Kealy, St. Francis Xavier School, who was unable to attend the dinner because of a previous church commitment.

Riegle commended the hosts for providing an opportunity for teachers to study local industries and "learn about and understand other skills." The schools hosted industry leaders last year on BIE Day in an effort to acquaint them with the school facilities and educational programs.

VISIT INDUSTRIES

Teachers were given a school holiday Tuesday to participate in the program. Each teacher in the systems was assigned to a

TRAVELOGUE TO BE GIVEN SUNDAY AT 8

The Gettysburg Photographic Society will present the first of a series of slide illustrated "Travelogues" by area residents Sunday evening at 8 o'clock in the West St. branch of the Gettysburg National Bank.

Joseph D. Kendeheart, publicity chairman for the society, said the first travelogue, to be presented by Wilmer "Jake" Dracha, manager of the American Legion Club, Baltimore St., will depict scenes of Dracha's visit in September, 1963, to Yugoslavia and other parts of Europe.

Dracha accompanied his father and uncle to Vanjic, Yugoslavia, to visit relatives of the family there, and Kendeheart said Dracha obtained some unusually interesting slides of the life of the people in Vanjic, "which could not have been obtained by anyone simply passing through as a tourist. These show the Yugoslavs as they live and work in their own community."

TO GIVE SERIES

The local resident's pictures will also show scenes of areas he visited in France, Switzerland, Austria and Italy.

SCHOOLS GET STATE CHECKS FOR \$593,596

More than a half million dollars in state funds is being distributed this week to fourth class school districts of the county as the first semiannual payment on the annual school subsidy for the current school year. The current payment represents about 60 per cent of the total to be paid for the year. Third class districts will get their appropriations next month.

The districts, which do not include Gettysburg, New Oxford and Upper Adams which are third class districts, are receiving a total of \$593,596.21.

The amounts by districts follow: Bermudian Springs Merged, \$87,992.55; Conewago Twp., \$21,711.91; Cumberland Twp., \$71,318.39; East Berlin, \$21,040.15; Fairfield Area Merged, \$82,270.71; Franklin Twp., \$62,239.61; Germany Twp., \$30,181.62; Latimore Twp., \$33,021.69; Littlestown borough, \$46,740.03; McSherrys town, \$459.33; Mt. Joy Independent, \$15,331.67; Mt. Joy Twp., \$23,747.51; Mt. Pleasant Twp., \$10,891.74; Straban Twp., \$54,788.03; and Union Twp., \$31,361.27.

In announcing the semiannual state appropriation payments, the office of County Superintendent of Schools M. Francis Coulson also said the state is currently making other payments on account of homebound instruction provided during the 1962-63 school year in the amount of \$2,448.02. These payments formerly were included by the state in the semiannual appropriation payments but now are handled separately.

The sums being paid to the various school districts follow: Bermudian Springs Merged, \$181,477; Conewago, \$14,433; Cumberland, \$188.96; East Berlin, \$43.15; Fairfield Area, \$170.16; Franklin Twp., \$370.44; Germany Twp., \$118.02; Gettysburg Area, \$278.05; Latimore Twp., \$69.92; Littlestown borough, \$180.13; Mt. Joy Independent, \$55.72; Mt. Joy Twp., \$63.50; Mt. Pleasant Twp., \$56.43; New Oxford Area, \$303.20; Straban Twp., \$159.25; Union Twp., \$127.37; and Upper Adams, \$46.74.

WILL TALK ON YOUTH, CHURCH

Richard G. Farrow, director of the state's Bureau of Youth Services, will speak this evening at 8 o'clock to the Women's Christian Fellowship in fellowship hall of the Presbyterian Church. He will speak on "Youth Problems and the Church."

A native of Shamokin and a graduate of Temple University, Mr. Farrow has done graduate work at the University of Pennsylvania's School of Social Work. From 1936 to 1938 he served as social investigator of the Pennsylvania Industrial School in Huntingdon; from 1938 to 1942 he was caseworker and supervisor for the Pennsylvania Prison Society. He then served as an institutional representative and then district supervisor for the Pennsylvania Board of Parole from 1942 until he entered the military service in 1943. After his military service Mr. Farrow became assistant superintendent and then parole supervisor for the Board of Parole. In 1956 he moved to his present position.

The Bureau of Youth Services, a unit of the Department of Public Welfare, is responsible for services in the prevention, control and treatment of juvenile delinquency. Mr. Farrow has published a number of articles and was editor of The Quarterly and Pennsylvania Association of Probation, Parole and Corrections.

Sally Jackson, Patricia Gilmore and Brenda Vannoy will provide special music. Mrs. Edward Orwig will lead devotions. The women of Circle II will serve as hostesses.

The women of the Great Conewago and Lower Marsh Creek Fellowships have been invited as guests. The meeting is open to the public.

COURT BACKS JUDGE SHEELY

Judge W. C. Sheely received notice from the state Superior Court that the local jurists' "judgment sentence is affirmed" by the state court in the appeal brought by Frank M. Benningfield, Baltimore, from his sentencing last August by the Adams County court.

Benningfield was convicted and sentenced in connection with his alleged participation in the cashing of checks by which a bookkeeper absconded with money from the Penn-Moc Shoe Co. of Fairfield.

Benningfield's case had been postponed several times and when Benningfield's Baltimore attorney asked another continuance because he was going on vacation, the court refused to continue the case and directed that it be tried.

In his appeal Benningfield claimed, among other things, that he had been harmed by not being able to have his chosen attorney represent him at the trial.

ELKS HOME IS BURGLARIZED

Burglars broke into the Elks home on York St. during the night, borough police were notified this morning.

Sgt. Daniel Miller, who began an investigation, said the burglars had jimmied open a door on the south side of the home. The burglars stole a bag of wrapped coins and a box containing student aid money. The exact amount of cash stolen is not immediately known.

After stealing the money the burglars broke open double doors leading from the grill to the main hallway to make their escape.

Recently a dance was held by the lodge to help raise money for the student aid fund.

Preliminary investigation did not disclose anything taken from other portions of the home.

The theft was discovered this morning when William Gallagher opened the home as custodian.

Purchase Pump For York Springs Well

The York Springs borough council Tuesday evening agreed to purchase a deep well pump for the creamery well from C. H. Eichelberger, Mechanicsburg, at a price of \$3,285, provided the bid includes all the materials that were listed by the next lowest bidder.

Council spent most of the meeting discussing future installation of equipment at the creamery. It was also decided to sell various pieces of equipment that were included in the purchase of the building and which council is unable to use.

Attorney Ronald Hagarman was instructed by council to secure a tax redemption certificate for the borough. Receipts in the general fund were \$1,335.99, water fund receipts were \$48.58 in collections. Bills in the general fund were \$384.97, water fund bills were \$686.62.

President Wendell Lehman presided at the meeting attended by five councilmen.

Present Apples To 13 Foreign Officers

Thirteen foreign navy officers received a gift from the Adams County Fruitgrowers Association Saturday.

With County Agent Thomas E. Piper making the presentation at the request of the fruitgrowers the officers, all of the rank of commander and upward, were presented with special packs of six Extra Fancy Red Delicious apples each. The fruit was packed by Rice Fruit Co.

Piper reported the officers "delighted" with the gift with he presented at the Visitor Center. The officers, concluding a 1964 naval supply management course at Mechanicsburg Naval Depot, were on a tour of the battlefield at the close of the course. They were from the Belgium, Brazil, Canada, China, Taiwan, Denmark, West Germany, Japan, Korean, Philippines, Spain, Turkey and Viet Nam navies.

Elderly Cashtown Man Is Robbed

Jake D. McDannell, 90, who resides alone in a one-room house just south of Cashtown on the Cashtown-Orrtanna Rd., was robbed of a wallet containing \$48 Tuesday afternoon at 4:45 o'clock.

State police reported a short, heavy set woman entered the house and took the wallet and money from the elderly man.

A borough police report on the robbery states that a couple riding in a gray and white 1953 or 1956 Buick was involved. It added further the woman has black hair.

PUSH DIVISION

(Continued From Page 1)

commissioners said they anticipate that the population of the lower part of the township will increase faster than the northern part. The township now has 1,308 voters. Last year it had 1,218.

POOLING NEWS EFFORT

The township residents who had petitioned the split had suggested the northern part as Straban No. 1 and the lower as Straban No. 2. However, the commissioners noted that in the other divided townships with the exception of Conewago, the division provides for No. 1 to be the section nearer Gettysburg, and they felt that plan should be continued for easier identification of location of the districts.

The decision to give special certificates to NBC's poll reporters came as the result of a letter from George I. Bloom, Secretary of the Commonwealth, and Albert E. Eberman, state director of elections.

The letter noted that the Associated Press, United Press, NBC, ABC and CBS this year have pooled their election teams, with NBC assigned the job of getting the election results in this area. A request was made to the state for certificates for poll reporters for each precinct. The letter from the state officials said that the state law provides expressly for press representatives to be in election houses where there are polling machines to obtain the results after the polls close. The law pertaining to those polling places where paper ballots are used does not have any such specific directive, but "the constitutional provisions required uniformity in the conduct of elections is compelling and offsets any legislative oversight."

Non-transferable certificates are to be sent the commissioners on which are to be filled out the names of the 144 NBC representatives and signed by the head of the county election board. The commissioners said they understood Cecil Snyder, Biglerville, is arranging for school teachers to be the NBC press representatives in the 44 election districts in the county.

OIL CONTRACT GIVEN

The commissioners announced that the contract for supplying heating oil for the courthouse was awarded to Wolf Fuel Oil, York Springs. All of the bids had "escalator clauses" permitting the price to go up or down depending on national prices. The base bid for Wolf Fuel was 10.34; Schuchart, Littlestown, 10.40; Aero Oil of New Oxford, 10.35; C. E. Williams, Gettysburg, 12.33; Walter and Lady, 10.40; A. L. Spangler, Littlestown, 10.50.

Tuesday the commissioners visited the county home and jail and then visited the John's Burned Mill Bridge, a stone structure, where they directed some repairs.

2 SCHOOL BUS SHELTERS ARE VANDALIZED

A new form of vandalism was reported at the October meeting of the Franklin Twp. board of school directors Monday evening when the directors learned that two of their shelters which had been placed for youngsters to use while waiting for school buses had been destroyed.

In one instance, the wooden shelter had been overturned several times and on at least two occasions had been pulled across a roadway. Two of the shelters have finally collapsed from the abuse. The board directed painting and repairs for other bus waiting shelters in the township and will decide later on the replacement of the two smashed shelters.

President Thomas O. Oyler presided at the meeting with four directors in attendance. The bid of the Lincolnway Nurseries at Cashtown was accepted for a three-year landscaping program at the Cashtown school as presented by a representative of the L. P. Koonen architectural firm. The bid was \$608.75. The other bidder was the Shiloh Nursery of York.

The board approved two requests for extra transportation for kindergarten pupils, involving extra mileage.

Principal Hobart Benchof reported an enrollment of 363, including kindergarten pupils.

The board approved a \$291 payment to the South Central Educational TV Broadcasting Council which will permit Franklin Twp. classrooms to receive the educational TV broadcasts which will begin on Channel 33 November 16.

Bills totaling \$39,541 were approved for payment including \$12,000 to the Gettysburg Joint School District.

Wolford Returns From Hospital

Albert L. Wolford, Orrtanna R. 1, former Gettysburg policeman, has returned to his home from the Geisinger Medical Center, Danville, where he had been a patient since an accident September 14 in the Roadcap Trucking Terminal, Spring Glen, Pa., in which he suffered fractures of his left leg in two places and a smashed ankle. His right leg was also injured but no bones were broken. After his arrival at the hospital following the accident, three surgeons performed surgery in which several pins were used to put the bones back together. He was informed by the physicians that he will be in a cast for several months and is to return to the hospital October 21 for observation.

"MY HEART REMEMBERS"

How often do I think of you... when evening lights are low... so many times I wander back... into the long ago... in solitude I hold your hand... and gently speak your name... turning pages of the past... aglow with true love's flame... I miss your words of tenderness... the warmth of your embrace... yes, more and more I realize... there's none to take your place... tonight my room is filled with dreams... and you are in each one... oh how I wish this reverie... of mine were never done... for somehow as the shadows fall... I feel you're close to me... and together we relive... the golden used-to-be... but all too soon the dawn breaks through... and with it die the embers... still they will burn anew each night... because my heart remembers.

next Sunday were sent to 125 newspapers and radio and TV stations.

Reports showed the news stories had been given good space by various newspapers. In addition paid advertisements were placed in Philadelphia, Washington and Baltimore area newspapers and through cooperation of the Gettysburg AAA office, the state and national AAA headquarters sent out special notices to all of their member offices noting the Harvest Holiday, October 11, and suggesting that the trip be recommended to members of the AAA. A release and brochure provided by the county fruitgrowers, sponsors of the annual event, were sent to 48 AAA offices and 60 local Travel Promotion Agencies throughout the state.

LeRoy E. Smith, chairman of a brochure rack program, displayed a rack containing space for 15 different types of brochures, with the heading, "Visit Historic Gettysburg," at the top of the rack. Plans call for several of the racks to be placed in the near future as an experiment to determine what locations can be obtained for them in the Washington-Baltimore-Philadelphia areas and determine how effective they are in promoting Gettysburg visitation. According to plans discussed, if the racks could be placed in sufficient numbers several hundred thousand brochures could be distributed annually.

WILL PROMOTE COUNTY

Wilbur Sites was appointed chairman of the auditing committee with Nicholas A. Meligakis and Denton Fair as members of the committee.

Discussion on plans to promote Adams County were discussed by President Richardson, who said, "We have a magnificent county well worth any tourist's time, and we have not really begun to promote the county. We have done a good job for Gettysburg, but there is so much more to see in the county." Recision of the Travel Council's folder to list various areas of the county in addition to Gettysburg was planned.

Preliminary plans for the spring advertising campaign were discussed.

Walter Ross of Penn-Adams Advertising, York, and Bruce Jarvis of Capital Advertising, Harrisburg, presented an illustrated talk on outdoor billboard advertising.

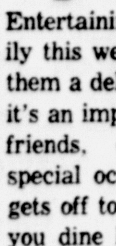

President Richardson reported that 300 decals showing Travel Council membership have been secured. Each member will be given one decal. Those wishing more of the large decals for doors or windows can obtain them at a cost of 75 cents each.

NINE HISTORY STUDENTS ON 25-MILE HIKE

Nine Gettysburg High School Juniors today are telling their fellow students how the Confederate soldiers must have felt when they arrived in Gettysburg 101 years ago.

The nine traveled from Chambersburg to Gettysburg Monday the way the Confederates traveled it—on foot.

High School History Teacher Jacob M. Sheads recently suggested that as a history project someone might desire to walk the route of the Confederate soldiers from Chambersburg to Gettysburg.

When a two-day holiday came, nine decided they would make the trip—and will write their experiences and put the essays together with pictures taken enroute, for a project entitled "Retracing the Path of the Confederates."

FOOTSOE TODAY

The now footsoe group included Bonnie Baker, Nancy Rosenberger, Hollace Imler, Susan Nunemaker, Margaret Mayer, Larry Bushey, Jeffrey Dengler, Robert Deitch and David Hoffmann.

The group gathered at the home of Nancy Rosenberger at 6:15 Monday morning. Two of the parents Dr. Russell Rosenberger and Mrs. Thomas Imler, drove the students to the square in Chambersburg.

At 7:20 Monday morning the group began walking toward Gettysburg. As time went on the stops became more frequent. By the time the group swung down the Hilltown Rd. they were ready to spend a lot of time just looking—while standing still. They looked into the site of the bushwacking near Cashtown, and they tried to imagine the scene toward Gettysburg as it appeared to the Confederates.

Finally, at 5:20 Monday evening, after about 25 miles of walking they arrived on Lincoln Square and two other parents, Mrs. Harry Baker and Mrs. David Deitch, met them with cars and distributed them to their homes.

Enroute they had carried haversacks filled with refreshments, including candy. They had stopped at a restaurant along the route to eat lunch. And they had carried water in canteens.

The walk was possible Monday because schools were closed for institute. And they had Tuesday to recover because schools were closed for BIE Day.

All seemed agreed that it was an experience they were glad they had—but they weren't sure they would like to do it again.

And Jeff Dengler had one more comment: "We should have practiced hiking a little at a time first."

IS CHARGED IN FIGHT AT FAIR

A 20-year-old student from Mt. St. Mary's College, Emmitsburg, was charged Monday night with assault on Ronnie Lee Sier, Monrovia, Md.

Deputy Sheriff James Capino charged Stephen Gerard Murphy, New York City, with assault and battery and assault with intent to kill. He was released on bond.

Sier remains in the intensive care section at University Hospital, Baltimore, where his condition is still poor. Sier is suffering from a fractured skull and serious brain damage, the result of a beating at the Frederick Fair last Thursday.

Sier and several of his friends were touring the fairgrounds when they bumped shoulders with another group of boys. Police said one group started pushing the other and several blows were exchanged. Sier was knocked to the ground and kicked several times in the head.

specific business or industry for the day to study and tour the facilities. Each will be given the opportunity to study a different business in succeeding years. They were guests of their hosts at dinner, where they were entertained by Mel Ehrin, comic pianist and a teacher in the York school system.

Ehrin entertained the group for approximately an hour with a unique presentation of semi-classical and popular music, "spoofing" popular singers and entertainers and providing modern interpretations of well-known composers. He received repeated rounds of applause from an amused audience. He has presented more than 2,400 song and piano programs in schools from coast to coast in summer tours, and has appeared at supper clubs throughout the country as a comic pianist.

Frank Sapp and William Feldmeyer served as cochairmen of the program, assisted by Mrs. Helen Snyder, Chamber secretary. The Rev. Robert A. Pearson, rector of the Prince of Peace Episcopal Church, gave the invocation at the dinner.

MANY PARTICIPATE

Host groups participating in the program were Adams County National Bank, Adams Electric Cooperative, Aero Oil Co., Codori & Miller, Columbia Gas of Penna., Inc., Gettysburg College, Gettysburg National Bank, Gettysburg Shoe Co., Gettysburg Times and News, Gettysburg Travel Council, M. Softening up defenses for nearly an hour with fire from heavy mortars and 57mm recoilless cannon, the Communists hurled up to 400 men in several waves at about 100 government troops.

Rescue forces arrived shortly before dawn and the Viet Cong attack broke off. Seventeen defenders were killed and four were missing.

On the political front, a member of Viet Nam's ruling military triumvirate flew off into political exile today, lowering the possibility of a new coup attempt against Premier Nguyen Khanh's government.

Li. Gen. Tran Thien Khien told a newsmen he did not know if he would come back but that he would be out of the country for at least three months. Officially, Khien is going to Europe to thank those countries which have supported Viet Nam's anti-Communist war.

Mrs. C. A. Hanson, wife of the college president, introduced new faculty wives, whom she had entertained previously at luncheon in the dining hall. She also called attention to the fact that the silver candelabra, silver tea service and some china on the tea table were included in the possessions of the late Dr. and Mrs. Frank H. Kramer which were willed to the college.

Members of the Chi Omega sorority provided nursery service during the meeting.

Hostesses for the meeting were Mrs. Richard A. Brown, Mrs. Jack Locher, Mrs. Henry R. Ackley, Mrs. Harry Baker, Mrs. Mervin Benner, Mrs. Gareth Biser, Mrs. Donald Carver, Miss Anna I. Claim Johnson Office Suite In Austin Adds \$2.6 Million To Cost

By CARL P. LEUBSDORF

WASHINGTON (AP)—The government has rejected a Republican charge that a suite of offices being built for President Johnson's use will add \$2.65 million to the cost of a new federal building in Austin, Tex. In a statement Tuesday night, the General Services Administration disputed a claim by F. Clifton White, director of Citizens for Goldwater-Miller, that

the building originally was to cost \$7,350,000 but that addition of the Johnson suite had jacked the cost up to \$10 million.

"The final cost of the building will be slightly under \$8 million," the statement said.

BIG FIREPLACE

It said further that while "a portion of one floor" was being made available for possible occupancy by President Johnson "no specific requirements have been made of the agency by the White House for this purpose."

White said the suite includes teak panels and a fireplace big enough to accommodate 10-foot logs. He referred to it as Johnson's Texas temple.

The GSA said it "is authorized by law to provide space for senators, members of the House and former Presidents of the United States."

"The agency does already provide suitable office space for President Hoover in New York City, President Truman in Independence, Mo., and President Eisenhower in Gettysburg, Pa."

WAS AUTHORIZED

It said that the Austin building was authorized by Congress in spring of 1960, during the last year of Eisenhower's Presidency. Of the \$12,929,000 total cost, \$10,864,000 was authorized for construction.

When the actual contract was awarded for construction in December 1962, it totaled \$7,350,000, the GSA said.

It added that such things as "normal change order activity," "a jurisdictional strike" and overtime to enable the Internal Revenue Service to occupy the building before the start of the next tax year had brought the cost near \$8 million.

dogs.

At the auto-plant workers belonging to the pro-Peron General Confederation of Labor shouted slogans hailing the former dictator.

As De Gaulle's motorcade neared the Palace of Justice for a farewell luncheon, more than 1,000 chanting Peronists surged up one side of the street, pushing past police barriers and fire hoses.

ATTACK WIVES

About 2,000 more Peronists approached from the other side.

Before guards could close the windows of the presidential car, demonstrators showered the two presidents with leaflets. Police fire into the air and demonstrators reportedly returned the fire.

Authorities said a policeman was gravely wounded by a bullet in the chest, a woman was shot in the leg and another civilian received chest wounds.

In the chaos, a second car carrying the presidents' wives ran onto a sidewalk, but neither woman was injured.

The Americana "600" SERIES by LA-Z-BOY®

The Betsy Ross

Styled in the American Tradition

A bold departure from the conventional type of lounge chairs is the new AMERICANA "600" Series by La-Z-Boy. Inspired by Thomas Jefferson's lounge chair in Monticello, the AMERICANA is a rocker that can be easily converted into a TV footrest chair, or a fully reclining lounge chair, by simply raising the selective footrest lever.

The AMERICANA is available in four distinctive styles: The Dolly Madison for transitional decor.

The Betsy Ross is truly an Early American design.

The Ben Franklin is traditional in the masculine manner.

The Monticello is contemporary in styling.

Your authorized La-Z-Boy dealer will consider it a privilege to show you the AMERICANA "600" Series.

TWENTY-FIVE YEARS AGO

Miss Rachel Everhart, a recent graduate of the Episcopal hospital in Philadelphia, left Sunday for Mt. Holly, N.J., where she will be on the nursing staff of the Burlington hospital. She is a daughter of Mr. and Mrs. W. C. Everhart, Carlisle Street.

Irving Mirisch, manager of the Majestic and Strand theaters for the past eight years, has resigned his position and will leave for Milwaukee, Wis., where he will manage a new enterprise of his own. He will be associated with his brother, Harold J. Mirisch, who manages several theaters in Milwaukee as well as being interested in other businesses. During his long stay in Gettysburg, Mirisch has made a vast number of friends and has been active in a number of community affairs. He was a member of the local Lions Club.

Mark A. Eckert, 26 Center Square, has purchased the Majestic Soda Grill from G. Robert Aulhouse who has been its proprietor since Feb. 1937, and he has been employed there since 1936. Mr. Eckert expects to continue the same line of business. Until recently he was a partner in the Hull and Eckert service station on Buford Ave.

Two new residences on the Gettysburg Lutheran Theological Seminary grounds are to be erected this fall and will be designated as memorials for two distinguished alumni of the institution, seminary officials revealed today. Contracts for the new dwellings have been let to I. H. Crouse and Sons, Littlestown, and call for completion in six months. Excavation for the new structures started on lots directly east of the present residence of Dr. and Mrs. Herbert C. Alleman on the eastern slope of Seminary ridge. Both houses will face Springs Avenue. They will be two-and-a-half-story red brick houses. One will be named the "Leander M. Zimmerman home" and will be occupied by Dr. John Aberly, who next year will resign as president of the seminary. The other dwelling will be named the "Luther De-Yoe home" and will become the home of Dr. and Mrs. Alleman, when the former retires from his faculty position next year. In addition to the building, a general plan of campus planting and improvement is going forward at the Seminary.

Howard Mittinger and sister-in-law, Mrs. Ramsey, Blairsville, are spending a few days at the Mittinger home on Oak Ridge making preparations for the occupancy of the house by Mr. and Mrs. Robert E. Berkeimer and family who will move there in the near future.

Rev. Ecker Installed: Before a large congregation Thursday evening the Rev. Harry S. Ecker, who recently ended a 31-year pastorate at Olivet Presbyterian Church in Reading, was installed as the new pastor of the Lower Marsh Creek Presbyterian Church. The sermon was delivered by the Rev. Seth C. Morrow, pastor of the Gettysburg Presbyterian Church. The Rev. R. Walter Anderson, pastor of the First Presbyterian Church of Carlisle, was in charge of the service as the official representative of the Rev. William T. Swaim Jr., Newville, retiring moderator of Carlisle Presbytery. The Rev. Mr. Ecker has already begun the duties of his new pastorate. Last Sunday he conducted a regular communion service in Lower Marsh Creek.

London Paper Answers "No" To Germany: London, Oct. 6 (AP) — A boldfaced single word "No" captioning the main editorial of Lord Beaverbrook's Evening Standard sounded the keynote of early British reaction to Adolf Hitler's proposal for an all inclusive peace conference. "Hitler's speech changes nothing," the Standard said. "If he has made his last peace offer he also has made his last war." The power of democracy in Britain and France has taken the decision from his hands. They had decided to finish with Hitler. He has spoken his own funeral oration.

Today's Talk

THIS HERITAGE OF OURS

Every human being, born into this world, at once, becomes an inheritor of a part of this world — its beauty, its wonders, its mysteries, and of the many varied opportunities that it offers as well. It may take a little time before this fact is deeply appreciated, but the moment it is, then there is growth, and a path indicated to personal happiness.

We enter into ownership only so far as we are able to appreciate. And what an inheritance appreciation is in itself! Books take upon themselves life and substance, the moment they are appreciated. So does art. So does Nature. So does friendship. Life itself is rimmed with hopefulness when we come to look upon it as good, regardless of its sorrows, disappointments, or setbacks. Silently, it seems to say: "Always go on!"

Flowers are the inheritance of us all. We can plant a flower seed anywhere, in good soil, and it will rise to bud and bloom, to give us its smile of beauty and its scent of perfume. Its brief message is a silent one — but one, if appreciated, that enters into the secret chamber of our spiritual consciousness. All beauty does this.

We are the inheritors of Hope and Faith — two guardians that may well be taken as life companions, never to be disregarded or dismissed. We own far more than we ever suspect. If we counted our blessings each day we would come to a full realization of this fact. We are happy only to the extent that we put our good deeds, living on the interest that accrues, and which often compounds!

Every foot of soil, trampled by man, leaves its imprint of inheritance. And the eye, that looks afar, gathers to itself both knowledge and emotional richness. No one can rob any of us of our keen and appreciative love of things. It really rests with each of us to be as rich in mind and heart as we desire. We inherit the way and means. The deep question that comes to us is this — what are we going to do with our vast inheritance? If we merely let it lie undeveloped, we leave life no better than when we came into it, so far as we are concerned. But if we increase it, keep passing a part of it out, we shall have at least not have lived in vain!

Just Folks

THE CAUSE

How come disaster? Separate ways

They chose to follow. Not as one
They planned the purpose of their days,
But when the honeymoon was gone

Each wanted some delight to own
That thing called self could hold alone.

They lost the common will to build

A stout but tranquil dwelling place,

With love and childish laughter filled,

Hemmed by a garden's lovely grace.

Apart in aims they tried to live

And looked for more than life can give.

They sought no goal beyond themselves,

They kept no dream which both could share.

His books were on particular shelves,

Her trinkets glistened here and there.

Both thinking "I" instead of "We"

The crash which came was bound to be.

FIRE AUXILIARY LISTS OFFICERS

A slate of officers for 1965 was presented at the October meeting of the Ladies' Auxiliary of Alpha Fire Company No. 1 on Monday evening at the Community Center.

The nominating committee consisting of Mrs. Beverly Kebill, Mrs. Marion Myers, Mrs. Betty Kauffman and Mrs. Janice Myers presented these officers for election to be held at the November meeting: President, Mrs. Gladys Kline; vice president, Mrs. Viola Badders; secretary, Mrs. Doris Carpenter; assistant secretary, Mrs. Doris King; pianist, Mrs. Anna Robert; assistant, Mrs. Marion Little; trustees, Mrs. Edna Koonz, Mrs. Marion Myers, Mrs. Louise Wantz, Mrs. Odella Streig and Mrs. Beverly Kebill.

It was announced that the unit has eight umbrellas to sell. Interested persons are to contact Mrs. Doris King. The fire committee for the fourth quarter includes: Mrs. Bernadine Rickrode, Mrs. Helen Oaster and Mrs. King. Mrs. Kline, president, heard reports from the following committees: Cheer, Mrs. King; membership, Mrs. Carpenter; fire, Mrs. Myers, and treasurer, Mrs. Kathryn Flickinger. Mrs. Carpenter was the recipient of the jackpot. During the social hour a kitchen aid display was by Mrs. Lois Myers and refreshments were served by Mrs. Nancy Nester, Mrs. Marie Collins, Mrs. Mary Selby and Mrs. Virginia Boyd.

The next meeting on November 2 will be held at 8 p.m. at the home of Mrs. Marion Myers, 101 Windsor Ave. Hostesses will be Mrs. Barbara Harner, Mrs. Alice Hartsock, Mrs. Betty Baumgardner and Mrs. Mary Miller.

4-H CLUB TO STAGE PARTY

Final plans were made for the Mason and Dixon 4-H Club Halloween party at the last meeting of the season Monday evening at the Ralph Unger Jr. cottage, near town. The Halloween party will be held Saturday, October 31, at 8 p.m. at the Clyde Feeser farm, Hanover R. 1.

Members are to bring their parents and family and all are requested to come dressed for the occasion. It will be appreciated if parents bring the same foodstuff which they brought in the past years.

The following committee is in charge of arrangements: Terry Sterner and Paul Krumrine, co-chairmen, Carole Brown, Joann Spensler, Adam Lockner, James Feeser, Alvin Unger and Edward Bensel. The committee has secured Fred Crouse as caller for the square dance. Vice President Terry Sterner was in charge of the opening of the meeting. The club program will reopen March 1. Twenty-six young people are now members of the club.

During roll call, conducted by Carole Brown, secretary, each individual member described what they liked best about their project this year. A discussion was conducted on the cookie sale held by the county in January.

The educational portion of the program included demonstrations by the following: Adam Lockner, "How to Plant a Flower"; Linda Hostetter, "The Facts of Sweet Corn"; Terry Sterner, "My Analogy Project"; Eric Sterner, "My Vegetable Garden"; Gail Clouser, "Flowers." Cloyd Willow, president, gave a brief speech on "The Proper Way to Conduct Oneself During Halloween Trick or Treating."

150 Attend First Family Fun Night

Over 150 persons attended the first in a series of "Family Fun Night" gatherings held by the congregation of Redeemer's United Church of Christ on Monday evening in the church social hall. A covered dish supper was enjoyed with the Hustlers' Class as the hostess group.

A humorous talk was given by the Rev. Clarence R. Rahn, of Temple. The program also included vocal selections by Mr. and Mrs. David Reifsynder, of Keymar; humorous impersonations, James Rohrbaugh; group singing, led by Samuel H. Higinbotham and accompanied by Mrs. Richard A. Little Jr.; closing prayer, the Rev. Glenn K. Flinchbaugh, pastor. Theron J. Basehoar was toastmaster. The young children were entertained by having a drawing contest and prizes were awarded.

The next "Family Fun Night" affair will be held in the form of a yuletide social on Monday, December 7 from 6:30 to 8:30 p.m. The Ladies' Aid Society will be the hostess group for the covered dish supper. Santa Claus will arrive to greet the children. Mrs. Robert W. Hall is program chairman.

The congregation will have similar gatherings on March 1 and May 3.

The southernmost town in the world is Punta Arenas, Chile.

Bankert, left supporter to the vice grand.

Loyalty Class At Halloween Party

A Halloween party was featured at the October meeting of the Loyalty Class of St. Paul's Lutheran Church held at the church on Monday evening. Costume prizes went to Mrs. Carl H. Baumgardner, class teacher, and Mrs. Herbert Plunkert. A Halloween game was played. Refreshments were served by the following members of group three: Mrs. L. Robert Snyder, chairman, Mrs. Herman Newman, Mrs. Luther W. Ritter, Mrs. A. G. Ealy, Mrs. Denton Barnhart, Mrs. Harry Weisel and Mrs. Raymond Geisler.

The meeting opened with the Scripture reading by Mrs. Snyder. Piano solos were played by Miss Karen Newman, Mrs. Emory C. Gitt, first vice president, presided and heard reports from Mrs. Plunkert, secretary, and Mrs. Odella Appleman, assistant treasurer. A film entitled "Fire Upon the Earth" was shown by Mrs. H. Dean Stover.

The Loyalty Class and the Men's Class taught by Maurice E. Breaa will have a joint banquet for class members and their families in November. The annual affair will be held at the church on a date to be announced. General arrangements are in charge of the following committee: Mrs. Paul C. Mayers, chairman, Mrs. Madeline Smith, Mrs. Odella Appleman, Mrs. Charles E. Ritter, Mrs. C. Aaron Rohrbaugh, Mrs. Glenn A. Breighner and Mrs. Roger J. Keefer.

SCOUTS PLAN PARTY

A Halloween party for the Cub Scouts of Pack No. 84 will be held on Tuesday, October 27, at 7 p.m. in the Auxiliary room of the VFW home, W. King St. Costume prizes will be awarded for those judged the funniest, ugliest, prettiest and most original. There will be entertainment and refreshments.

Boys from eight to 11 years of age are invited to join the pack by contacting Cubmaster Alvah H. Stoniesier Jr. The Cubs will conduct a light bulb sale in the community in November on a date to be announced.

Series Pits Yanks Power Against Cardinal Speed; Injuries Are Hurting Both

By JOE REICHLER
Associated Press Sports Writer
ST. LOUIS (AP) — It's New York power against St. Louis speed, crafty Whitey Ford against youthful Ray Sadecki, and World Series-hardened veterans against a relatively inexperienced crew as the Yankees and Cardinals open the autumn classic today.

The best-of-seven games will decide baseball's world championship.

The Yankees, 17-to-10 favorites to win their 21st post-season title in 29 attempts, were handicapped somewhat by the absence of regular shortstop Tony Kubek. He had missed the last two weeks of the season because of a jammed wrist.

Officially out for the entire series, Kubek has been replaced by Mike Hegan, rookie first baseman and son of Yankee bullpen coach Jim Hegan.

Phil Linz, the versatile infielder who plays the harmonica on the side, will play shortstop in Kubek's place and lead off. The Cardinals, too, are not 100 per cent physically fit.

Unlabeled over second baseman Julian Javier and third baseman Ken Boyer, injured in weekend games with the New York Mets, was eliminated Tuesday when both assured manager Johnny Keane they were ready to play.

Javier injured his left hip in a collision Saturday and did not play in the regular season finale. Boyer pulled a muscle in his left thigh rounding third in the sixth inning of the finale.

"You couldn't keep those fellows out of the Series," said Keane. "They played too hard to get into it."

A sellout crowd of 32,000 was assured with tickets in much demand. Speculators were getting as much as \$100 for a pair of box seats.

The weatherman continued to be kind to the St. Louis populace. As it has been throughout the final week of the season, sunny and pleasant weather prevailed with temperatures of 65 to 70 for the Cards' first World Series since 1946.

Starting time was 1 p.m., EST, with all games carried on network NBC radio and television.

On the basis of experience, the Ford-Sadecki duel appeared to be a mismatch. This was the eighth opening game assignment in his 22nd Series start for the 35-year-old Ford who turned in a 17-6 record during the regular season.

ONLY 3 EXPERIENCED
On the other hand, it was World Series baptism for the 23-year-old Sadecki, the Cardinals' lone 20-game winner.

In fact, only three Cardinals — shortstop Dick Groat, outfielder Bob Skinner and pitcher Roger Craig — have had World Series experience.

There isn't a Yankee regular without Series experience except Mel Stottlemyre, the rookie right-hander. He is expected to oppose Bob Gibson, the Cards' fireballing ace, in the second game.

WORK OUT TUESDAY

St. Louis sawpaw Curt Simmons and New York right-hander Jim Bouton are likely starters in the third game Saturday at Yankee Stadium, following a day off due to travel.

Both teams engaged in a preliminary workout Tuesday at Busch Stadium where such Yankee sluggers as Mickey Mantle, Roger Maris, Joe Pepitone and Elston Howard impressed Keane with their long drives over and against the short right-field porch.

"If there is an edge," said Keane, "I guess you have to

Bermudian Adds Patton Trade

Bermudian Springs has added Patton Trade School of Elizabethtown to its football schedule and the game will be played Saturday afternoon at 2 o'clock at York Springs.

Originally Saturday was an open date for the Eagles but the game was added when Harrisburg Academy decided to drop its schedule, eliminating a game with Bermudian on November 14.

BRUNDAGE IS RE-ELECTED AS OLYMPIC CHIEF

By TED SMITS
Associated Press Sports Editor

TOKYO (AP) — Re-election of Avery Brundage as president of the International Olympic Committee gives the Amateur Athletic Union of the United States a powerful ally in its power struggle with the National Collegiate Athletic Association.

Brundage, the stern, 74-year-old Chicago hotelman who holds strict views on amateurism, won out in a secret ballot over Lord David Broughley, Marquess of Exeter, who takes a somewhat more liberal view of the amateur code.

The vote was announced Wednesday as unanimous but this was on a motion by Pakistan after the sealed ballots had been counted. It probably was fairly close in the 70-man committee.

GAMES OPEN SATURDAY

Meanwhile, feverish preparations went forward in a light drizzle for the opening of the Olympic Games Saturday when 8,000 athletes from 98 nations will vie for honors before capacity audiences. Virtually everything is ready, and the excitement in Tokyo is almost incomprehensible to a Westerner.

The struggle in the Olympic committee for the presidency — first won by Brundage at Helsinki in 1952, also in a contest with England's Lord Broughley — may have a profound impact on American amateur sports.

The American team fielded here was put together under a truce between the AAU and the NCAA imposed by the late Gen. Douglas MacArthur. As soon as the games end and possibly even before, the two big sports groups may lock horns.

ON SIDE OF AAU

One possible arena is the meetings next week of the International Amateur Athletic Federation, which controls track and field. The IAAF recognizes only the AAU, and the AAU may take this opportunity to present its side of the case to the International Federation.

Although the AAU-NCAA dispute may never come before the IOC, if it does Brundage is almost certain to throw his weight on the side of the AAU. He has always been scornful of college athletic scholarships.

If the AAU-NCAA wrangle goes so far as to cause the IAAF to withdraw recognition from college athletes, most American track and field men would be banned from international competition, including the Olympics.

The NCAA, of course, hopes to achieve recognition from the IAAF or at least a further sharing of responsibilities with the AAU.

EAGLE SCRUBS BOW

The Bermudian Springs junior varsity football team lost a 31-7 decision to Trinity Catholic Tuesday afternoon at York Springs.

In modern dairy barns, grain stored in large bins over the milking parlor is metered out in exact amounts to each cow as she is milked.

UNITAS STAYS ON TOP AMONG PASSERS IN NFL

NEW YORK (AP) — They say it's better to give than to receive. A look at the latest National Football League statistics released today, would seem to confirm that old axiom.

Every time Johnny Unitas gets that football, he can't wait to give it away — usually through the air to some Baltimore Colt teammate. The habit keeps Unitas on top of the NFL passers and it hasn't hurt the Colts' climb to the top of the league's Western Division.

Johnny Morris and Mike Ditka of Chicago and Frank Clarke of Dallas, on the other hand, love to receive. They're constantly on the catching end of aerials and are the top three pass receivers in the league so far this season. But their teams, plagued by other problems, can't seem to get started. The Bears occupy the Western Division cellar and the Cowboys are only a notch above the Eastern basement.

Unitas, with 39 completions in 69 attempts and 10 touchdowns in just four games, is off to a blazing start.

Morris has caught 27 passes for 360 yards and four TDs. Ditka and Clarke each have caught 24, with the Chicago end gaining 284 yards and scoring one TD and the Dallas star picking up 319 yards and scoring twice.

HOPES TO DRIVE CAR AT 500 ON UTAH'S FLATS

BONNEVILLE SALT FLATS, Utah (AP) — Art Arfons planned today to push his Green Monster — a jet fighter engine on wheels — to 500 miles per hour in quest of a world land speed record.

Arfons already owns the record he is trying to top. The goal of his run today is an official speed of from 450 to 480 miles per hour. But under the requirements for a record, Arfons said it is likely the car will travel part of the way over 500 miles per hour.

Arfons, 38, is a garage owner from Akron, Ohio. He and his brother, Walt, 42, have been building jet-powered racers for several years.

Tom Green drove Walt's car, the Wingfoot Express to the 413.20 m.p.h. record that Art broke Monday.

The records of the pure-jet cars, however, are not recognized by the International Automobile Federation, which specifies that records must be set by vehicles with at least two wheels powered by the engine.

But word was received at the salt flats Tuesday that the federation has taken steps to recognize the jet records.

Junior High Hosts Carlisle On Thursday

Unbeaten Gettysburg Junior High School's football team goes after its third straight South Penn League victory here Thursday afternoon at 3:45 o'clock when it clashes with Carlisle.

Carlisle won its only league game by edging Chambersburg Central 12-7. It lost to Edison of Harrisburg in a non-league game 21-7 last week.

Other SP games Thursday include Waynesboro West at Chambersburg Faust, and Chambersburg Central at Waynesboro East.

ERNIE KOY IS BACK OF WEEK IN POLL BY AP

AUSTIN, Tex. (AP) — Injuries have sidelined Texas tail-back Ernie Koy for much of his last two seasons, and the Longhorn workhorse is doing all he can to make up for lost time.

He's so intent on catching up he didn't realize what all the commotion was about at Tuesday's practice session when photographers told him he had been picked as Back of the Week by The Associated Press.

The 6-foot-3, 225-pound senior thought a Texas newspaper had made the selection — not a national poll.

"KINDA SURPRISED" — "It kinda surprised me," Koy told an interviewer after stammering "really?" and "golly!" several times.

"He put on a good show," Coach Darrell Royal said. "I guess he deserved it. He delivered under pressure situations."

Royal referred to Koy's performance in top-ranked Texas' 17-6 victory over Army Saturday.

Koy kept Texas drives alive with four vital fourth-down runs, and passed Texas out of another fourth-down spot; ran for both touchdowns while eating up 73 yards rushing, and kicked for a 49-yard average, including a 71-yard quick-kick which set up Texas' final tally.

"I guess that was about my best game," Koy said.

IOWA STATE'S VAN SICKLEN IS TOP LINEMAN

By THE ASSOCIATED PRESS

Nebraska beat Iowa State 14-7 last week and the Cornhuskers probably consider themselves fortunate they don't have to meet John Van Sicklen again.

Van Sicklen plays tackle for Iowa State and his ferocious play against Nebraska earned him the nod today as the Lineman of the Week in The Associated Press poll of sports writers and broadcasters.

Van Sicklen, a 216-pound senior from Walled Lake, Mich., made 11 unassisted tackles and helped on six others. He was such a nuisance in the Nebraska backfield that Cornhusker coach Bob Devaney said afterwards: "Van Sicklen forced us to aim most of our plays outside to keep away from him."

High praise indeed from an opposing coach for a usually unsung hero of the line. His own coach, Clay Stapleton, praised him, too.

"I wouldn't swap Van Sicklen for any tackle in the Big Eight, including 250-pound Ralph Neely of Oklahoma," Stapleton said.

Replace Mel Allen On TV-Radio Team

NEW YORK (AP) — Mel Allen, known as the voice of the Yankees, will not be the Yankees' representative on the V-radio team at the World Series opening today in St. Louis. In his place will be Phil Rizzuto, a former star shortstop for the Yankees.

"I had hoped for continuation of doing the World Series," said Allen, who had been with the Yankees more than 25 years. "I was not shocked by not getting it because things like this have happened before. The decision was made so far as I know by the commissioner."

Writers Say It's Yanks In 6 Games

ST. LOUIS (AP) — The most popular pick among sportswriters and broadcasters covering the World Series is a New York Yankee victory in six games.

Thirty-four of the 51 writers polled Tuesday picked a New York victory and 21 of them picked the Yankees in six games. One writer chose the Yankees in four games.

The St. Louis Cardinals got 17 votes. No one could see the Cardinals winning in four games.

The Phillies gained a 12-6 edge in National League games with the Cubs this year.

ILLINOIS AND OKLAHOMA ARE PICKED TO WIN

By HAROLD CLAASSEN
Associated Press Sports Writer

TOKYO (AP) — A word that sounds exactly like Ohio means good morning in Japanese. So Ohio to you, too. And, to the Illinois football team as well in its meeting with Ohio State Saturday in a game that could decide the Big Ten title.

The whine of the jet dulled the senses to such an extent last weekend that there were only questionmark winners among the questionmark decisions for a questionmark percentage.

Here are this week's winners, obtained by stirring the tea with chopsticks.

TOP CHORUS

Illinois over Ohio State: A close one but Dick Butkus, the staunch Illini center and line-backer, gets the nod over Buckeye Tom Barrington.

Oklahoma over Texas: If the Sooners blow this one, new coach Gomer Jones will be available for a Senate race.

Dartmouth over Princeton: In recent years this tussle, usually the finale of the season, has decided the Ivy League. The game still will be decisive with Dartmouth bottling up Cosmo Iacavazzi.

IRISH AGAIN

Kentucky over Florida State: The Seminoles boast their line is the strongest in the South, but that was before they met Messrs. Norton and Bird of Kentucky.

Notre Dame over Air Force: Once upon a time they spelled the name Johnny Lujack. Now it is spelled Johnny Huarte. Irish names, of course?

Army over Penn State: Coach Rip Engle of Penn State says the loss to Oregon included the "worst 15 minutes of my life." The Cadets, guided by quarterback Stichewh add a few more minutes of travail.

LIKES MICHIGAN STATE

Alabama over North Carolina State: The Crimson has found a way of winning without scoring a touchdown, so make the margin this time by three safeties to none.

Michigan State over Michigan: From 5,000 miles away, the difference is only fractional. The home field is the difference.

Syracuse over UCLA: Fred Little and his bounding play-mates to master the UCLANS.

ONE FOR NAVY

Navy over Georgia Tech: The Midshipmen learned at Michigan that last year's press clippings don't mean a thing now. It is a Friday night schedule.

Florida over Mississippi: The Gators' entire season has been built on the premise that Ole Miss can be beaten.

Nebraska over South Carolina: Fred Duda is lost to the Cornhuskers but the Big Eight teao should prevail in this intersectional battle.

WEST LEADING ON OFFENSE

NEW YORK (AP) — Is the balance of individual college football power swinging back to the West? Collegiate statistics released by the NCAA today show players from the West leading four of the five primary offensive categories.

Western players have captured the major college individual offense championship in eight of the last 11 years, but missed in 1963 when Miami's George Mira won it. The West seems determined to make up for the lapse.

Larry Zeno, UCLA's quarterback tops the total offense department after three weeks of play. Zeno has gained 646 yards on 108 plays, 33 more than Pitts' Fred Mazurek. Stanford half-back Ray Handley leads the rushers with 386 yards and the runner-up is another Western boy, Washington's Junior Coffey, who has chalked up 321.

Jack Schraub of California, leads the pass catchers and Washington halfback Steve Brumwell is the top punt receiver. That leaves only passing where Louisville's Tom LaFramboise in a single completion ahead of California's Craig Morton.

College Freshmen Open Grid Campaign Against Temple Here Thursday

Starting his third season at the yearling helm, Coach Ray Reider will send his Gettysburg College Freshman football team through its first test of the year when it meets Temple Frush here Thursday afternoon at 3 o'clock.

Reider has 36 candidates battling for starting assignments. Listed on the squad are five former high school captains, nine former high school all-conference players and one former all-state tackle.

The Little Bullets are expected to be strong and deep in the line with the exception of guards. The defense may not quite equal last season's which helped post a 4-0 record and limited the opposition to two touchdowns. However, the staff feels that this year's offense will be as strong if not stronger than a year ago. The major strength is at quarterback and flankers, but Reid is not underestimating the running attack.

STARTING LINEUP

The Bullet tutor's starting lineup will include ends, Ray Daviatt, 6'1", 193, Cliffside Park, N.J., and Joe Marincic, 6'165, Monongahela; tackle, Mel Maggert, 6'2", 230, Piqua, O.; guards, Jim Mattucci, 5'7", 190, Berwick, and Al Wenger, 6'2", 195, Elizabethtown, and center, Joe LaQuinta, 6'3", 210, McKees Rocks.

The yearlings' starting quarterback will be Matt Ostrowski, 6'185, Hendersonville. Running backs in the pro-type offense will include Tom Kardash, 5'8", 155, New Castle; Doug McDaniel, 5'11", Urbana, O., or Bob Williams, 5'11", 175, West Hazleton. The two flanker posts will be handled by Al Santos, 5'10", 165, Mt. Carmel, and Chuck Frame, 6'160, Eldred.

The Young Bullets and Owls have always been involved in well-played contests. Last year's verdict went to the Little Bullets by a 5-0 count.

The remainder of the schedule follows: October 16, Columbia Prep, home; 23, Bucknell Frosh, away; 30, Shippensburg State JV's, home; November 6, Stevens Trade, home.

MSM Soccermen Take Second Win

Mt. St. Mary's College chalked up its second Mason-Dixon Conference soccer win in as many starts by blanking Randolph Macon 2-0 Tuesday afternoon at Emmitsburg.

Bill Wolff scored the Mount's first goal in the second quarter and Stan Colkowski added the second in the third period.

The Mountaineers will seek their third straight at Lynchburg on Saturday.

Ex-Bolt Starring For Dickinson 11

Dickinson College football coaches are unanimous in their praise of Larry Snyder, former Littleton High School star, who has helped the Red Devils in winning over Muhlenberg 23-14 and Swarthmore 14-12.

Snyder, a senior, made two conversion kicks which were the difference in the Swarthmore game and sparked the game-winning rally against Muhlenberg with a 34-yard field goal that put his team ahead to stay.

"His talent makes life a bit pleasant for the coaches," said Coach Don Seibert. "If we have a hero, it is Larry Snyder."

Finish High In Golf Tournament

Don Stough, assistant pro at the Gettysburg Country Club, and Walter Allen teamed for a 36-33-69 in the Philadelphia PGA Pro-Senior golf tournament Tuesday at Cool Creek Club, Wrightsville.

Tim DeBaufre, Philadelphia Country Club, and his partner, Richard Garland, won the title on the seventh hole in a sudden death playoff after tying for top honors with a 65.

Rod Munday, pro at the local club, and Kermit Deardorff, amateur here, turned in a 36-36-72.

G-BURG FACES NIGHT GAME AT ALBRIGHT

Fresh from a stunning 22-19 upset win over Delaware, the undefeated Gettysburg College football team will take on old rival, undefeated Albright, Saturday in Reading in the Bullets' only night encounter of the year. Game time is 8 o'clock.

Gettysburg and Albright have clashed 24 times on the gridiron and the Bullets hold a convincing 16-4 edge. Four games have ended in a tie. The Bullets have a two-game winning streak going including last year's 28-12 decision. The last Albright win was a 37-21 affair in 1961. Gettysburg's widest margin of victory in the series, which dates back to 1913, was a 46-6 romp in 1955. Albright's biggest win was the 1961 count.

While the Bullets' current record has been most impressive, the individual statistics have been capturing a few eyes. Jim Ward, junior quarterback from Gaithersburg, Md., is setting a blistering pace in passing, total offense and punting. Ward has thrown 60 passes, completed 34 for 381 yards, six touchdowns and three pass conversions. He has run off 89 plays for a total 425 yards. The team's number one punter, he has kicked 15 times for a 32.9 average.

Tony Presogna, Curwensville, and Rod Albright, York, top the squad's rushers. Presogna has picked up 123 yards on 36 carries while Albright has gained 70 yards on 17 carries. Ken Snyder, senior flanker from Hershey, is the leading pass receiver with 15 catches for 251 yards, four touchdowns and two pass conversions. Dale Boyd, junior flanker from Pennsylvania, N.J., is running a close second, pulling in 10 aerials for 96 yards and one TD. Boyd set a school record a year ago in the receiving department with 30 catches and Snyder finished second with 25.

Snyder leads the scoring parade with 23 points and junior Tom McCracken, Shillington, who never played football before coming to Gettysburg, is second with two TD's for 12 points. Both of McCracken's scores came against Delaware.

Gettysburg is only averaging 82 yards a game on the ground but is clipping along at a 220-yard per game average in the air. The three opponents have averaged 132 yards on the ground and 101 yards through the air lanes.

COURT HEARS RIGHTS DEBATE ON TWO CASES

By CARL P. LEUBSDORF
WASHINGTON (AP) — The Supreme Court opened its new term hearing arguments on two challenges to the constitutionality of a key section of the 1964 Civil Rights Act.

Dispensing quickly with opening-day formalities Monday the high court heard four hours of debate on the two cases. Both involve the section of the law which prohibits discrimination in such public accommodations as hotels, motels and restaurants.

One case was brought by the Heart of Atlanta Motel, the other, by Ollie's Barbecue, a Birmingham, Ala., restaurant.

ASKS WRITTEN ARGUMENT

The court gave no indication of when it may decide the cases. It called for additional written arguments from the two sides within 10 days.

The public accommodations section is one of two whose constitutionality was questioned by Republican presidential nominee Barry Goldwater in explaining his Senate vote against the rights bill. President Johnson's administration considers passage of the law one of its prime legislative accomplishments.

Moreton Rolleston Jr., owner of the Heart of Atlanta Motel who acted as his own attorney, told the court that unless it declares the law unconstitutional, "there is no end" to how far Congress will invade personal liberties.

Swing Disables City Employees

FRANKFORT, Ky. (AP)—The best way to set up a swing is first tear it down.

Five men in the Frankfort Recreation Department attempted to put a preassembled 12-foot swing set into place. It fell and Joseph Flynn, 17, fractured his ankle.

Jack Williams, assistant recreation director, arrived to help out. It fell again. Williams suffered a fractured ankle.

The next day two employees took the set apart and put it up in 10 minutes.

Rolleston challenged Congress' constitutional right to ban restaurant, hotel and motel discrimination under its powers to regulate interstate commerce.

"People are not commerce," he argued. He denounced as "hogwash" Justice Department contentions that the measure is aimed at relieving the burden on interstate commerce.

Justice Hugo L. Black asked Rolleston how he could say interstate commerce is not involved since Negroes can find no motel accommodations in travels through the South. The attorney replied that after the Heart of Atlanta was ordered to admit Negroes, only three went there during August.

POWER TO ACT

Solicitor General Archibald Cox, arguing for the government, said Congress has the power to regulate even local activities when a burden is placed on interstate commerce.

In the Birmingham case, attorney Robert McD. Smith contended that the provision of the public accommodations section dealing with restaurants was irrational, saying it holds that foods once purchased in interstate commerce have an eventual serious effect on that commerce.

Ollie's concedes it is in violation of the law as worded but contends it is not in interstate commerce. The restaurant, owned by Ollie McClung Sr. and his son Ollie Jr., is located several blocks from the nearest interstate route.

A three-judge federal court ruled that the law should not be applied to Ollie's. The decision was stayed by Justice Black pending the high court's final determination of the case.

FRIENDLY PERSUASION. As the campaigns wax hot, so do the living room discussions. The way opposition forces shout

at each other across the coffee table is enough to break the glass.

Yet nobody, but nobody, was ever won over by a stinging, emotional diatribe, particularly when it is delivered by a woman. A winner sounds as attractive as she looks.

The feminine persuaders of this world work on a low wave-length, whatever the subject under discussion. When tackling a supercharged subject like politics, it is impossible to get across your ideas with angry words. Anger destroys your judgment to a degree where you don't know what you or anybody else is saying. Befuddled, you lose the debate.

That wily debater, Disraeli, was on the beam when he said, "It is easier to be critical than correct." Certainly one has to be informed, as well as mannered, to win though. It is better to keep still than spout a lot of misinformation.

Three effective ways to gain political understanding are by a careful reading and sifting of your newspaper editorials; by listening to both sides on TV and radio; by giving respectful attention to the opinions of friends and neighbors. That way you gather ammunition for your side and can defend it against all comers. You may not sway a vote, but your bait will not lack a hook.

REQUESTS TIME TO ENACT NEW DISTRICT LAW

WASHINGTON (AP) — Atty. Gen. Walter Alessandroni of Pennsylvania has asked the U. S. Supreme Court to give the state legislature time to enact a new legislative redistricting law which would meet the requirements of the federal constitution.

The request, mailed to the high court by Alessandroni, was a supplement to an appeal filed last June by Alessandroni and other state officials from a decision by a special three-judge U. S. District Court in Pennsylvania.

PROVISIONS INVALID

The special court ruled that the Pennsylvania Legislative Apportionment Acts of Jan. 9, 1964, and apportionment provisions of the state's constitution were invalid.

The Pennsylvania Supreme Court last month also held the reapportionment act invalid and ruled that a new act must be passed in time for the 1966 state elections.

ASKS SET-ASIDE

In his request, Alessandroni asked that the U. S. Supreme Court take jurisdiction of the appeal filed last June, set aside the judgment of the U. S. District Court and then keep jurisdiction of the case pending action by the state legislature.

The request said:

"Primary responsibility for the fashioning of a representative framework belongs to the General Assembly which, by virtue of its composition, experience, and facilities is the most competent and appropriate body to perform this task."

The U. S. Supreme Court ruled last June that both houses of state legislatures must be apportioned.

BELO HORIZONTE, Brazil (AP) — A Syrian who admitted gunning down Adib Shisheky, Syria's former dictator, says he considers it "a great honor" to have killed him, Brazilian authorities reported.

They said Nawaf Youssef Ben Ghazaleh, 34, a bar owner in

Brasilia, surrendered Sunday. Shisheky, Syrian president from 1951 to 1954, was shot Sept. 29 in the remote village of Ceres, in Goias State, where he lived on a farm.

Ghazaleh told police he shot Shisheky to avenge members of his family killed in a bombing

TSHOMBE NOT ADMITTED TO CAIRO MEET

CAIRO (AP) — Congolese Premier Moise Tshombe was kept under virtual house arrest Tuesday while the conference of nonaligned nations decided whether to admit him.

After arriving before dawn, Tshombe and several members of his party were whisked to walled Aruba Palace in suburban Heliopolis. A cordon of police was thrown around the structure.

Tshombe was visited this morning by Mohamed Faik, director of African affairs in President Gamal Abdel Nasser's office. Faik told Tshombe he would not be permitted to leave the palace, except to leave the country, before the conference reached a decision.

Tshombe's doctor said a report that Tshombe's health papers were not in order and he might have to stay under quarantine was ridiculous. The doctor said the premier's health certificate was in perfect order and necessary vaccinations and inoculations were up to date.

A majority of the conference members, over some opposition, first tried to discourage Tshombe from coming by asking Congo President Joseph Kasavubu to come in his place.

When Tshombe persisted, Cairo Airport early Monday refused his charter jet permission to land and shunted it on to

Miller Explains Delays On Baker

WILMINGTON, N.C. (AP) — Rep. William E. Miller said Tuesday the chairman of the Senate Rules Committee put off new hearings in the Bobby Baker case because he did not want to turn up anything that might "in any way damage the political position of his good friend, Lyndon Johnson."

Opening a campaign swing in the South, the Republican vice presidential nominee hit at Johnson's former association with Baker and criticized Democratic Sen. B. Everett Jordan in his home state of North Carolina.

In his travels today Miller crossed campaign trails with the President's whistle-stopping wife, Lady Bird Johnson, who planned several appearances in North Carolina later in the day.

Athens.

But at 3 a.m. Tuesday followed by an entourage of 20 persons, Tshombe stepped jauntily off a scheduled Ethiopian Airlines flight from Athens and into a scene of embarrassed confusion at the airport in suburban Heliopolis.

Many African leaders distrust him as a creature of white imperialists and accuse him of the murder of the Congo's first premier, leftist Patrice Lumumba.

They say his presence at the conference would sidetrack it from the main issues — talk of peaceful coexistence, colonialism, foreign bases and the economic buildup of the underdeveloped nations.

WAYNE UNDER SURGERY FOR LUNG ABSCESS

By JAMES BACON
AP Movie-Television Writer

HOLLYWOOD (AP) — "I don't know what the hell I had, but the doc said whatever it was I licked it."

John Wayne, 57, was talking from his bed at Good Samaritan Hospital. He delivered the line Monday in the same matter-of-fact way that millions of movie fans have heard him speak on the screen just after putting down an Indian uprising at Ft. Apache.

Wayne, sitting up in bed, devoured a bowl of soup, a couple of pork chops and a salad, plus dessert.

ROUGH 10 DAYS

"The only trouble we have with this patient is getting him to eat," quipped his nurse.

"I had a rough ten days in the intensive-care unit," said Big Duke. "They kept bringing in all those cardiac cases beside me. Finally, I told them to get me a gun — I was ready to shoot my way out."

Duke was moved to another floor quick. He may get out of the hospital this week.

"I had two operations in five days. That was the rough part."

"First they took that thing from my lung. Then I got to coughing later, coughed so damn hard that I busted a tissue. So they had to open me up again."

LUNG ABSCESS

His son, Michael, described "that thing" as an abscess of the lung.

Pilar, Duke's pretty wife, said her husband suffered from edema — an abnormal amount of fluid in the lungs.

"He swelled out so much," said Mrs. Wayne, "that he looked more like Sidney Greenstreet than Duke."

The big boy says he is OK now.

"My only discomfort," he said, "is those cigarettes."

For 40 years Duke has been a five-pack-a-day unfiltered cigarette smoker. He gets none in the hospital.

Wayne entered the hospital for correction of an old ankle injury. The lung complication followed.

Duke spends most of his time watching television.

"I watch everything but old John Wayne movies," he smiled. "It's the first real rest I've had in 30 years."

Garlic bread is extra savory when minced scallions are added to the garlic-butter mixture for spreading over the bread cuts. Count on using a half cup of butter (one stick) for a long loaf of French bread.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP) — The Supreme Court, perhaps the most forceful in American history, after the narrowest kind of escape from rebuke by Congress has returned to work by plunging instantly into boiling water.

The nine justices traditionally do not answer their critics. And they observed the tradition this year although it was a year of intense attack.

Their decisions cutting across many fields over several years — particularly race, religion and politics — produced a hurly-burly between their critics and their defenders.

NECESSARY VS. COMFORTABLE

Out of all this naturally came a question: Will the justices now slow up until some of the storm subsides, be a little more restrained like many courts of the past, be less willing to stick their necks out?

Judging from what they have just done it could be reasonably concluded they are determined to do what they think is necessary rather than what is comfortable.

Usually the court does no business on opening day. But when it began its 1964-65 term Monday the justices disregarded the usual and at once began hearings on one of the most controversial social and political issues.

A SORE POINT

This was on the Civil Rights Act, the strongest in 100 years, passed by Congress last July. The court was not asked to rule on the constitutionality of the whole act but on the sorest point in it:

This is the part outlawing racial discrimination at hotels, restaurants and other places of public accommodation. This part of the act has been a sore point in the South and an issue in this year's political campaign.

Since the campaign will end on Election Day, Nov. 3, the court could have made things easy for itself by deciding to put off a hearing on an appeal against the accommodation section until then.

THORNY ISSUES

But no matter what the decision, or when, this whole year will be full of thorny issues for the court, covering religion, communism, race, unionism.

The storm over the court began with a hurricane over its 1954 decision calling school segregation unconstitutional. From time to time the hurricane

NEW HAVEN, Conn. (AP) — Ralph E. Turner, 71, professor emeritus of history at Yale University, died Monday after a long illness. Before coming to Yale in 1944, Turner taught at the University of Minnesota, the University of Iowa, the University of Pittsburgh and the American University in Washington, D.C. He retired in 1961.

an almost fantastic multitude. But it has rarely happened. Another year has passed and it didn't happen.

But the justices have a better perspective on the history of the court, and its trial and tribulations, down through the years than most politicians and most citizens.

From the very beginning the court has been attacked when its decisions jarred some region, some group, some faction. It is no exaggeration to say that down through the years demands to curb the court or undo its decisions have become

SAYS SOUTH IS JIGSAW IN POLITICS

EDITOR'S NOTE — A lot of voters in the South seem somewhat less than enthusiastic about both presidential candidates, an AP survey shows. This is the second of four articles based on extensive soundings of voters' views throughout the nation.

By RELMAN MORIN

ATLANTA, Ga. (AP) — The South is a political jigsaw puzzle at this stage of the presidential campaign, a fascinating tangle of party-bolting, personalities, and hotly colored opinions about issues.

And one fact is crystal clear — many Southerners are less than lukewarm about both President Johnson and Sen. Barry Goldwater.

"Poor choice," "Lesser of two evils," "Don't feel like voting for either one," "Going fishing Election Day."

MOST FREQUENT

On a recent tour of the South, this correspondent heard these sentiments expressed more frequently than any other single view of the campaign. Opinion-samplings by Associated Press bureaus in all the Southern states likewise reported a lack of enthusiasm for the two major party candidates.

"I'm going to vote for Johnson but I wouldn't if there were anyone besides Goldwater on the Republican ticket," said Julie Anne Waxman, Augusta, Ga., a student nurse.

Jackie Carter, Hutchins, Tex., used a bowling term to express his attitude. "It looks like a 7-10 (a difficult position) any way you go. I slightly prefer Goldwater."

"VOTE NO"

An airport bus driver in Amarillo, Tex., said he has heard of a sticker saying "Vote 'no' for president." He said, "That's for me." A Chattanooga housewife, whose husband's car bears a Goldwater sticker, said, "I don't want a sticker that says 'I'm for Johnson,' if I could just get one that says, 'I'm not for Goldwater.'"

Not every Southerner, to be sure, is preparing to cast an "against" vote. Many said the issues as well as the two men have attracted them to the banner of Johnson or Goldwater.

E. G. (Dan) Boone, a Florida lawyer—and a Democrat—said, "People in Florida believe that if Goldwater gets in, the first time Castro gets out of line, there won't be any of this wishy-washy stuff from the State Department. Goldwater will say, 'Buddy, you've had it.'"

GOP ONLY WAY

A Griffin, Ga., service station operator said he is for Goldwater "because of this 'nigger' business." Numerous Southern-

Not Enough Work For Dist. Attorney

GOLDFIELD, Nev. (AP) — Esmeralda County Commissioners are looking for a new district attorney who won't object to spending one day a week on the job.

Attorney Keith Hayes who has his office in Las Vegas, 187 miles away, quit Monday after commissioners contended he wasn't spending enough time on the job. Hayes said it was ridiculous to spend all that time here: there just wasn't enough business.

Commission chairman M. L. Shank said the county would like to see a retired attorney willing to settle down in Goldfield to take the \$400 a month job. The county has 500 residents.

Award Contract For Radar Study

HOUSTON, Tex., (AP) — A \$71,670 study contract has been awarded North American Aviation Co., Downey, Calif., to determine if radar can relay information about topography to a computer, which in turn would tell an astronaut what lay ahead on the moon.

The computer study is being run by Dr. Jack Green of North American on an area of extremely rough lava in Pisgah crater near Barstow, Calif., a Manned Spacecraft Center spokesman said today.

HOLLYWOOD (AP) — Singer Frankie Laine, 54, was reported in good condition after prostate surgery Monday at Cedars of Lebanon Hospital. A spokesman for the performer said no malignancy was involved and Laine probably will be released in about 10 days.

ers said a vote for the GOP candidate "is the only way I have to protest against the government ramming civil rights down my throat."

Vice versa, the Rev. Cuthbert Allen, a Dominican priest who is acting president of Belmont Abbey College, Belmont, N.C., said, "I am a Johnson man because I think the present administration is on the right track on all the issues."

STEEL GIANTS SEEK SKILLED PLANT LABOR

By SEYMOUR M. HERSH
CHICAGO (AP) — The steel industry, headed for its biggest year in history, is running out of workers in the Chicago-Gary, Ind., area, largest steel producing center in the world.

Two of the industry's giants, U.S. Steel and Inland Steel, reported Tuesday they are carrying recruiting drives for their busy Chicago area plants into the far corners of the Midwest and Pennsylvania in an effort to beef up overworked crews.

The problem, say industry spokesmen, is the lack of skilled labor in Chicago, traditionally a fertile source for the steel plants.

COMB CHICAGO AREA

"We've advertised here and tried to work with employment services," said a Chicago spokesman for U.S. Steel, "but we are just unable to meet our requirements locally. We're having trouble getting skilled and even semiskilled workers."

The spokesman said U.S. Steel will conduct job interviews this week in many industrial areas of Pennsylvania, including Altoona, Johnston and Uniontown.

The Chicago area produces

nearly 23 per cent of the nation's steel and industry officials estimate the nation will produce a record 125 million tons of ingot in 1964. Last month's production of 10.6 million tons of ingot set a new industry record for September.

"There's a big push on," said Phil Morris, personnel director for Inland Steel's vast Calumet Works. "When you get large steel companies looking for the same thing (skilled labor), there aren't enough top-flight people to go around."

In Chicago, Morris said, "we're looking for people with high school educations or at least the equivalent. You just can't find them there."

466 JOBS OPEN

"You hire a man as a laborer, but you want him to move up," Morris said. "The days of the pick and shovel are over in the steel mills."

As of this week, Morris said, there were 486 jobs open among his work force of 21,200. "And if I filled those I'd have to as for some more."

Morris said Inland is recruiting workers in Duluth, Minn.; Green Bay, Wis.; South Bend, Ind.; Evansville and Terre Haute, Ind., and Escanaba, Mich., among other cities.

Smaller steel producers in the Chicago-Gary area also are pressed, but haven't announced any plans for recruiting outside the immediate area. There are nine major steel-producing facilities in the area.

WRINKLES

by Marie Davant

NEW YORK:—Chemical science has found a white substance made with quicksilver that works wonders on wrinkled, roughened face and hands. Use it one time and it is entirely possible you will see improvement next morning. In a few days dry-skin wrinkles start to vanish. Many of the small ones around the eyes and mouth have already disappeared. But that is not all! "Old-Age" (weathered) brown spots on hands and arms—brown "age" darkness on surface of face and neck fade away! Rich oils lubricate pores so blackheads can slip out without squeezing. Surface pimples and blem-

ishes and scars, outwardly caused, dry up or become less noticeable! But don't take my word for it. Make a 6-day test without risking one penny. Just get a jar of Peacock's Imperial Creme at your favorite department or drug store. Use this thrilling cream for 6 days — and if you are not delighted with results, full price will be refunded. No questions asked. Peacock's Imperial Creme can work wonders for wrinkles, lines, brown spots and other weathered blemishes. You may obtain Imperial Creme for \$2.00 plus tax from Rea & Derick Drug. LBJ ELECTION STATUS LIKE TOM DEWEY'S

NEW YORK (AP) — The New York Times said Tuesday that exactly four weeks before Election Day Nov. 3, President Johnson is the most overwhelming choice to win the presidency since Thomas E. Dewey at the same stage of the 1948 campaign.

"Therein may lie a warning to the Democrats," the story said, adding:

"Yet, even Mr. Dewey never enjoyed the kind of lead that every reliable indicator now gives Mr. Johnson — and Mr. Dewey's upset by Harry S. Truman was a tame event compared with the shock that would hit political analysts, poll-takers and party officials if Sen. Barry

Goldwater were to manage a victory this year."

ODDS THE SAME

The Times said: "Even the established gambling odds support the conclusions of the study. The latest established national betting line is 7 to 1 on Mr. Johnson."

The Times said that many analysts, despite the polls and the atmosphere of Democratic victory, are reluctant to predict flatly a landslide for Johnson; many believe that in the remaining weeks of the campaign Goldwater may gain ground.

The story reported the situation that emerges from reports of Times correspondents, from a study of voter polls and from other data concerning 49 states and the District of Columbia. It said no extensive reports from Alaska were available.

The New York Mets will end the 1964 baseball season with three games in St. Louis, Oct. 2, 3 and 4.

Hurricane Victims Are Returning Home Despite Warnings About Waiting

By ROBERT ROWAND

NEW ORLEANS, La. (AP) — Thousands of families were back to pick up the pieces of their hurricane-shattered homes in coastal Louisiana today and more were going despite warnings to wait.

They didn't care about lack of electricity, water, sewage, telephones or other conveniences.

Some slipped in by back roads. Some went by boat. Others cut across sugar cane fields flattened by Hurricane Hilda last week.

Fishermen, businessmen, housewives, oil field workers, trappers and others wanted to get to the job of restoring their possessions to some semblance of what they were before the storm's onslaught.

DON'T NEED WATER

A. L. Stansbury, owner of a sporting goods and liquor store at Franklin, summed it up: "I had beer and soft drinks in my place, so I didn't need water. 'I can go a couple of days without food, and a man can get

by without sewage. "Having electricity doesn't mean anything to me. I've got lamps and when it gets dark you just go to sleep."

Authorities said it would be a week before power could be restored to all homes in Franklin. They urged returning refugees to boil the water before using it.

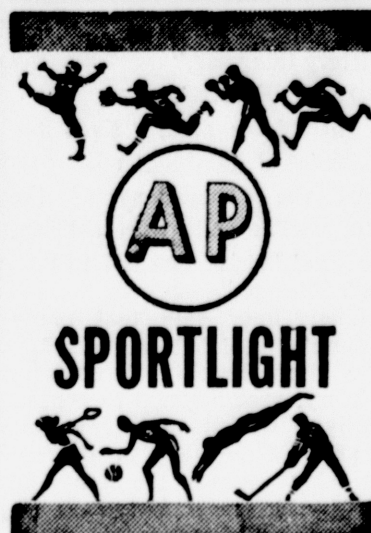

Most of the 20,000 residents of St. Mary Parish, where the hurricane first struck the coast, were back from their inland refugee centers. Many still lacked power and water.

SCHOOLS CLOSED

Iberia Parish, also hard hit, was without power and water in many places. Schools in the parish may remain closed the remainder of the week.

A spokesman for the Red Cross said early surveys indicated that 25,000 families in Louisiana and Mississippi were affected by the hurricane and the tornadoes it created.

The survey showed the storm in Louisiana destroyed 112

TOKYO (AP) — The Olympics are not all sweat and strain. They have been bitten by the culture bit, too.

Until the flame finally goes out on Oct. 24, athletes, officials and fans here for the Olympics will be exposed to large doses of some of the quaint aspects of Japanese life.

A tea ceremony is being performed at almost every open flame in town, and Kabuki and Noh actors are working more hours than an Alsatian sheep dog. Some Sumo wrestlers have grunted themselves down to 350 pounds or so.

PREPARES GUIDE

All these extra performances are being staged for the Olympic visitors, but since there is no particularly good reason why you should escape the culture

homes, caused major damage to 2,660 and minor damage to 11,427 others. It destroyed 127 farm buildings and damaged 635 others. It destroyed five small businesses and damaged 242 others.

Hilda and the tornadoes killed 37 persons, most of them in Vermilion and Lafourche parishes on the coast.

Officials say damages probably will reach \$100 million or more.

blitz, the following guide has been prepared for the stay-at-homes.

Preferably it should be read after eating raw fish and rice and while sitting in a chair that is just a little too small for comfort.

All set? Then let's go: **SOME MEANINGS LOST**

Tea ceremony — This is a method of making tea for people who would rather have coffee. You start off by taking off your shoes and sitting around on the floor while a girl in kimono makes mysterious motions amid the crockery.

Each motion has a meaning. For example, if the girl suddenly slaps her thigh it means she has forgotten the lemon. Or the sugar. Or something.

Some of the meanings have been lost in antiquity.

After about two hours, a lukewarm pale green beverage is produced and passed around. It tastes awful.

Noh — the ancient court drama, performed to music played on one violin string with a hand saw.

There is very little action. Nobody says much, but at the same time, nobody moves much, either. The actors wear masks most of the time. Sometimes they don't. It is hard to tell.

Kabuki — This is the same as Noh except the costumes are fancier. The girl parts are played by boys. The boy parts are also played by boys. This takes a lot of the interest out of the thing.

Kabuki actors talk more than Noh actors, but they don't move much, either. About every half hour, one will change position. The audience usually cheers.

Now, don't you wish you were over here with us?

SALISBURY, Southern Rhodesia (AP) — The Southern Rhodesian government declared today a state of emergency in the Harare African township of Salisbury.

The government said the situation in the township endangered public safety and essential services. It said the objective was to arrest all thugs and hoodlums.

WORLD BAN ON IMPURE FOODS BEING SOUGHT

By OVID A. MARTIN

WASHINGTON (AP) — The groundwork is being laid for an international code designed to ban impure foods, questionable additives and possibly harmful residues of pesticides from grocery stores and markets around the world.

The establishment of such standards is a major project of the U.N. Food and Agriculture Organization and the U.N. World Health Organization, with the United States playing an active role in the movement.

The food standards, when developed, would be voluntary in nature — that is, there would be no supplementary laws in the United States or other countries requiring that they be followed by food canners and other processors.

ABIDE BY STANDARDS

International food and health officials believe that enlightened self-interest would encourage many processors to abide by the standards because they could increase sales both in their home countries and in export markets.

Because they would be voluntary in nature, it would not be necessary that the code be set forth in a treaty among governments, subject, in this country, to Senate ratification.

An international meeting on the subject of world food standards has just been concluded in Geneva, Switzerland. The United States was represented by Nathan Koenig, an assistant to the administrator of the Agriculture Department's Agricultural Marketing Service.

STRICTENED LAWS

The establishment of such standards in themselves would not necessarily facilitate increased trading in processed and prepared foods.

Some countries, notably in Europe, have stringent food laws and regulations that could,

NEW BISHOP IS WELCOMED

HARRISBURG (AP) — Bishop Newell S. Booth, head of the newly-created Methodist Central Pennsylvania Conference, formally was welcomed to Harrisburg at a dinner Tuesday night.

The dinner, honoring the bishop and Mrs. Booth, was held at the Scottish Rite Cathedral under the sponsorship of a local committee of ministers and laymen.

Bishop Booth recently returned from a seven-week trip to the Congo, where he completed 20 years of service as resident bishop of the Elizabethville area of the Methodist Church.

The Central Pennsylvania Conference, consisting of 631 churches, was created last spring at which time Bishop Booth was assigned as resident administrative officer.

MANAGUA, Nicaragua (AP) — The Nicaraguan Congress has repudiated the 1914 Bryan-Chamorro treaty granting the United States perpetual rights to build an intercanal through this Central American country.

A joint session of Congress approved Tuesday a motion declaring that the treaty violated the 1911 Nicaraguan constitution and "has caused serious setbacks to the economic development of Nicaragua."

If a canal through Nicaragua is ever needed, the motion said, it should be built on the basis of a treaty that would not injure Nicaraguan sovereignty and would guarantee the country "a fair participation in the administration and profits thereof."

in some cases, even prevent trading in products meeting the contemplated world standards.

Some countries, said Raymond A. Ioanes, administrator of the department's Foreign Agricultural Service tend to use these laws and regulations to keep out good quality items that compete with those of their own farmers and processors.

SCRANTON IN NEW ENGLAND

WESTPORT, Conn. (AP) — Gov. William W. Scranton of Pennsylvania says the administration of President Johnson has "washed away the last vestiges of the style and grace that a new generation of Americans forged in the 1960 elections."

Scranton, stumping New England for the Republicans, repeated Tuesday the basic theme he has voiced on other campaign trips this fall.

Scranton continues his campaign tour in Ohio and Maryland today and goes on to Illinois Thursday.

He acknowledged differences with Republican presidential candidate Barry Goldwater on civil rights and foreign affairs. Then he added: "Some things I hope he will never change."

"Honesty and courage are attributes that Americans still admire — in men and presidents."

LOS GATOS, Calif. (AP) — Stanley Henry Page, 79, who was credited with inventing the Liberty airplane engine of World War I, died Monday. An early automobile enthusiast, Page drove a Packard from Paris to Moscow in 1908.

ACTRESS WAS READY TO ACT IN FIRST ROLE

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — "When the breaks came, I was ready. I worked hard for a whole year to train myself. The ones who don't succeed in films are those who aren't prepared to follow through when the breaks do come."

Who said that? Anjanette Comer. Who is Anjanette Comer? You'll find out. She is this year's Hollywood success story. No one is less surprised about it than she.

USES OWN NAME

The name is all her own. "Anjanette" was concocted by her mother, who was seeking a name that was a little bit different. As far as Anjanette knows, she is the sole possessor of it. Her monopoly may soon end. Already, she noted with a trace of indignation, it has turned up on "Burke's Law" as the name of a character.

Comer is the family name. "A lot of people have suggested I change it," said the actress. "I never considered a change because my father would have been too disappointed. He has no son to carry on the family name."

TWO LEADING PARTS

It's pronounced Comer. No puns about Anjanette being a comer, please. She has arrived. Evidence: The lead with Robert Morse and George Maharis in "Quick, Before It Melts."

Further evidence: the lead with Morse, Jonathan Winters, Robert Morley, John Gielgud, Dana Andrews, Liberace, etc., in "The Loved One."

The thing about Anjanette is the eyes. Very large, very green. They can change from amusement to boredom in a twinkling, then back again.

It is a tribute to her good looks that she appeared attractive when she came to lunch at the Beverly Hills Hotel during a break in "The Loved One." For his satire of the American way of death, British director Tony Richardson decreed no makeup. Not only is Anjanette allowed no lipstick, her brown hair is drawn up severely into double buns.

"I don't like it," she admitted, "but I have to go along with it."

This marks one of the few occasions when her will did not prevail. She is a Texan (Dawson) who knew what she wanted and was unwilling to compromise in getting it. Her aim: to be a star.

Scarcely a year out of the Pasadena Playhouse Dramatic School, she is well on her way. Her speed is remarkable. She won her first jobs not by tests but by readings — cold deliveries of scripts she hadn't seen before.

First came a "Gunsmoke," then an "Arrest and Trial" — her second professional appearance won her an Emmy nomination! The word spread from producer to producer: the girl is good.

COTTEN CALM DESPITE LONG CASTING DELAY

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — Last May Joseph Cotten began work on a movie he expected to last two months. He hopes to finish the job sometime this month.

The movie is called "Hush . . . Hush, Sweet Charlotte." That's the studio's punctuation, and I guess you've heard about it. That was the one which was supposed to repeat Bette Davis' and Joan Crawford's success with "Whatever Happened to Baby Jane," only Miss Crawford got sick and had to be replaced by Olivia de Havilland.

IN ANOTHER ROLE

Whatever happened to Joan Crawford? She has recovered enough to sign for another movie to start this month, "I Saw What You Did."

The man caught in the middle of the brawling was amiable Joe Cotten, who doesn't seem to be bothered at all. True, he has been earning a pleasant paycheck through the whole distressing business. But he claims that is incidental.

Cotten took time out from his nefarious doings — he and Olivia had just given Bette a

knockout pill in a scene before lunch was called. He paused to defend the actor's inherent right to get sick.

DEFENDS ILLNESS

"I've never been able to understand this business about 'the show must go on,'" he declared. "It's absolute nonsense. People in other lines of work are allowed to be sick now and then. Why shouldn't actors?"

"If we owe anything to the theater — and I've never been convinced of that — it is to get well so we can give a good performance."

"Joan had to be sick — you can bet the insurance doctors would not have advised her replacement if she wasn't. The only sensible thing to do was to hire someone else, because the company couldn't wait for her any longer."

Cotten practices his preaching. Last year he and his wife, Patricia Medina, were playing in "Calculated Risk" on Broadway. She had a bad case of the flu, but still wanted to do the play.

REPLACED WIFE

"I wouldn't let her do it," he said. "And I can tell you this: I would much rather make love to her on the stage than to her understudy."

Knocking on the nearest wood, Cotten admitted that he himself has never missed a curtain although there have been nights when he didn't feel

up to snuff. He has been absent on only one movie.

"That was a Western at Universal some years ago," he recalled. "I had a back injury in the middle of it and they had to suspend production for two or three weeks."

As for "Hush . . . Hush," he reported that it is moving right along with its new costar and will be finished in time for a December opening — producer-director Robert Aldrich wants to qualify it for the Oscars.

Presenting America's slowest fastback.

There are some new cars around with very streamlined roofs. But they are not Volkswagens. They are called fastbacks, and some of them are named after fish.

You can tell them from Volkswagens because a VW won't go over 72 mph. (Even though the speedometer shows a wildly optimistic top speed of 90.)

So you can easily break almost any speed law in the country in a VW.

And you can cruise right past gas stations, repair shops and tire stores.

The VW engine may not be the fastest, but it's among the most advanced. It's made of magnesium alloy (one step better than aluminum). And it's so well machined you may never add oil between changes.

The VW engine is cooled by air, so it can never freeze up or boil over.

It won't have anything to do with water.

So we saw no reason to name it after a fish.

RUSSIA SAYS 4 ATTACHES WERE SPYING

MOSCOW (AP) — The Soviet Union has accused three U.S. military attaches and one British attaché of espionage and the Foreign Ministry "protested strongly," the official news agency Tass said Tuesday.

The Soviet protest was made public a day after Washington and London announced protests against what they called "flagrant violation" of the attaches' diplomatic immunity.

In the Soviet far eastern city of Khabarovsk Sept. 28-29 Soviet government officials "forcibly entered" the attaches' rooms and seized some of their property, the Western statements said.

TOOK PICTURES

The Soviet protest said more than 900 pictures, material in 26 notebooks and other materials showed that the attaches were "grossly violating the universal ly accepted standards of conduct of foreign diplomats."

The four are Lt. Cmdr. Nigel N. Laville, assistant British naval attaché in Moscow; Lt. Col. Karl R. Liewer, assistant American military attaché; Col. George A. Aubrey, the American military attaché; and Maj. James F. Smith, an assistant American air attaché.

According to the U.S. State Department report, the men, on a train trip through Siberia, had taken two hotel rooms in Khabarovsk.

STOLE BELONGINGS

A group of 15 Soviet officials "forcibly entered" and "forcibly searched" the two rooms. The Russians took away some of their belongings, including a wristwatch. The incident lasted approximately four hours.

The Soviet note said it was established that the attaches were violating Soviet rules for foreign missions.

The attaches went by train from Moscow to the Pacific coast of the Soviet Union, then went by ship to Tokyo, and flew today to Hong Kong. They were scheduled to return to Moscow via New Delhi, India, within the next few days.
